James was a Private in the 125th Illinois Infantry, mustered in 3 Sep 1862, mustered out 9 Jun 1865. He served in Company K along with several relatives and neighbors from his home area. He was the son of John T. Blakeney, Sr., born 1786 in Pennsylvania and Sarah Oliver Blakeney, born 1792 in Virginia. They were among pioneers from Kentucky that settled in Vermilion County, Illinois circa 1828.

Letter dated: 29 March 1865

Written from: Goldsboro, North Carolina

Transcribed below as it was found in the book: [unpublished manuscript]

James Henry Blakeney, March 29, 1865 to his brother and sister the letter which time has obliterated in spots. I have tried to decipher most of it.

125th Illinois Vol. Inf. - Goldsboro, N.C.

After my best respects I will try to write you a -- lines to let you know that I am well and happy. When this reaches you may it find you and all the rest of your families well. Well I hardly know how to commence writing as I have written so much and haven't had any words from you for so long but feel it my duty to write you a -lines as I have a little spare time and have come to the conclusion that this is as good a way to put in the time as any as I have so much to put in. Well I reckon you will look for the details of our last march in this letter and I will give them to you in part. I can't give you them all, it would take me too long to write it and besides I will only give you part of march now and if I should be so lucky as to get home I will tell you all about how the marches and fights were started from Savannah on 20th of Jan. and moved up the Savannah River 30 miles --- ferry ,known by the name of -- Ferry and we lay there about one week and then we crossed over into south Carolina where rebels had first started and you ought to have seen the hurrahs when they landed on the south Carolina side. The air was filled with thousands of voices which was as much as to say, You will reap your reward for seceding from our glorious union. It looked like a leap in the dark to start through such strong rebel states without supplies, knowing that we had to live off the country but all were in good heart for we had tried it before and come out all right and we put such faith in our noble leader whose name will always be remembered by his gallant army. He starts on and we follow him and we have followed him for some time and he has led us throu South Carolina and a large portion of North Carolina and we have come through alright. We had two very hard fights but accomplished our ends in right time. The first fight was at -- and the rebels couldn't stand us but one day and then they retreated to a place called Bennettesville, where they had

selected to demoralize Shermans -- army. They had some of their Richmond troops there and their Charleston forces and Wilmington forces and part of their Mobile forces. They said they was a going to demoralize and capture Sherman and his whole army. Said they know it or did they not? As it is their custom for --- run and leave their dead and wounded on the field. This was the results of half of these fights We had their dead to bury and their wounded that could not get away to care for. We took a good many prisoners and they had about 3 men killed to our one. The reason is easy, a volunteer force. They charged 3 or 4 times on our lines and had to fall back without accomplishing their mark as they said they was going to do. Their army is deserting and coming to us every day and in time of battle they would hold their --- and handkerchiefs for us to quit shooting and they would come to us and we would hallow and tell them to come on and they would throw down their guns and run to us. They say it is no use to try to fight Sherman's army for they would not stop fighting if half their army was killed. I guess it is about the case for Sherman has got a large army and one that will do to depend on. It has succeeded in gaining every position that it has tried to gain. This army is the cause of Charleston and Wilmington and a number of other places being taken for we march thro their country and destroy all of their railroads and machinery that is of any use to them and there is rumors that they are --- not -- but if they want out of there they had better go before Sherman gets to near them or the will not get out at all for I think the next move will be to cut their last rail~road and divide their armies and if we do that the south~ern --- is gone up and if they throw their forces together they are gone up - - - - - [the rest of letter was lost]

IMPORTANT INFORMATION

Use this form to order photocopies of records of veterans who served in the United States or Confederate armed forces. These records include:

PENSION APPLICATION FILES based on United States (not State) service before World War I.

***NOTE:** Pensions based on military service for the Confederate States of America were authorized by some Southern States but not by the Federal Government until 1959. Inquiries about State pensions should be addressed to the State archives or equivalent agency at the capital of the veteran's State of residence after the war.*

BOUNTY-LAND WARRANT APPLICATION FILES based on United States (not State) service before 1856.

***NOTE:** Pension or bounty-land warrant application files usually include an official statement of the veteran's military or naval service, as well as information of a personal or genealogical nature. If we find such a file, we send copies of the documents we feel will be most useful to you.*

MILITARY SERVICE RECORDS based on service in the United States Army (officers who served before June 30, 1917, enlisted men before October 31, 1912), Navy (officers and enlisted men who served before 1886), Marine Corps (officers and enlisted men who served before 1896), and Confederate armed forces (1861-65). (We cannot provide photocopies of files for veterans whose service terminated less than 75 years ago, however we are usually able to provide certain information from the files).

***NOTE:** Military service records rarely contain family information. The record of a man's service in any one organization is entirely separate from the record of his service in any other organization. We are ordinarily unable to accurately establish the identity of men of the same name who served in different organizations. If you know that a man served in more than one organization and you desire copies of his military service record, submit a separate form for the service record in each organization.*

DO NOT USE THIS FORM TO REQUEST PHOTOCOPIES OF RECORDS RELATING TO SERVICE IN WORLD WARS I OR II OR SUBSEQUENT SERVICE. WRITE TO: NATIONAL PERSONNEL RECORDS CENTER, GSA, (MILITARY PERSONNEL RECORDS), 9700 PAGE BOULEVARD, ST. LOUIS, MO. 63132.

When you send more than one form at a time, each order may be handled separately; you may not receive all your replies at the same time.

When we cite from our indexes that we have numerous files for veterans of the name given, we suggest that you visit the National Archives and examine the various files, or hire a professional researcher to examine each file for you. As a matter of policy the National Archives does not perform research for individuals; we are thus unable to make a file-by-file check to see if the information in the numerous files matches the information you have provided. The Board for Certification of Genealogists, 1307 New Hampshire Avenue, NW., Washington, DC 20036, can provide you with the names of persons in the Washington area willing to do research for a fee. Also, genealogical researchers advertise their services in The Genealogical Helper, the most widely circulated genealogical magazine, available in most libraries having a genealogical section, or by subscription from Everton Publishers, P.O. Box 368, Logan, Utah 84321.

When, because of the size of a file, we are unable to provide copies of all documents, we send copies of the documents we feel will be most useful to you. You may order copies of all documents in a file by making such a specific request and authorizing us to bill you at 20¢ per page (\$3 minimum).

More information about the availability of armed service records may be found in our free package of genealogical information leaflets and forms, available by writing to the address on the front of this form.

PREFACE

This DAR PATRIOT INDEX contains the names of Revolutionary patriots, both men and women, whose service (between 1774-1783) and identity have been established by the National Society, Daughters of the American Revolution from its organization in October 1890 through the June 1966 meeting of the National Board of Management: over 105,000 names. Included with the alphabetically listed names are the dates of birth and death, name(s) of wife (wives) or husband(s), rank or type of service, and the State where the patriot lived or served. If pension papers are known to exist, this fact is indicated.

This Index has been compiled from data extracted from original applications of members of the Daughters of the American Revolution, from published references, and from exhibits of proof such as authenticated copies of unpublished documents which are on file with the Society. Full credit is given to the members and the staff of the Society for their persistence and skill in the difficult work of obtaining, compiling, and checking this data.

Omission from this volume of any name in the DAR ancestor index is due to conflicting data, received over the years, which raised some question about the patriot. As members or future applicants present substantiating information to satisfactorily prove the line and service of the patriot, the name will be included in a supplement to this Index. To the best of the knowledge of the Committee members the identity of each patriot listed herein has been established and the service accepted.

The files in the offices of the Registrar General are used only by the staff and are not available to those doing research or to the general membership. Frequent inquiries about Revolutionary ancestors are received in these offices and result in much correspondence. At the suggestion of Mrs. Albert Grover Peters, present Registrar General, a committee was appointed by Mrs. William Henry Sullivan, Jr., President General, to produce this book. Its main purpose is to assist genealogists in DAR Chapters who are working on application papers of prospective members and to eliminate the necessity for much correspondence. In addition, the Index could save many hours of research for all historians and genealogists compiling family histories.

To compile over 105,000 names and other data in one volume of usable size, it has been necessary to abbreviate all words other than names of patriots and spouses. When the patriot's service is military, the proven highest rank attained is given; other services have been classified as Patriotic Service or Civil Service. A guide to the use of this Index and a list of the symbols and abbreviations follow.

CIVIL WAR VETERANS

OF THE

COFFEYVILLE VICINITY

(Copied from Who's Who in Coffeyville, Kansas, and vicinity
by C. C. Drake--1943)

Coffeyville Post No. 153, Grand Army of the Republic, Department of Kansas, organized in Coffeyville, February 12, Lincoln's birthday, 1883. The charter members of this post were C. W. Munn, F. W. Noblett, Charles G. Brooks, William H. Lewark, Newton George, Joseph McCreary, C. G. Titsworth, James Myers and Charles Lucas.

That charter was lost to sight and for many years the post held meetings without knowing the whereabouts of the original charter, which had been replaced by a duplicate, issued October 22, 1886. However, O. T. Roming, adjutant of Sheridan Post No. 90, G. A. R. in 1934, discovered the original charter for Coffeyville Post No. 153, hanging in the office of the W. H. Lane ware house on Santa Fe street. It had hung there unnoticed for forty years or more. The recovery of the original charter was made in 1926.

POST BREAKS UP

Sheridan Post was organized in 1908, to take the place of the original post, since a schism in the membership had arisen and the functions of the original post were assumed by the new post.

With the death of Capt. R. H. McWhorter in 1938, the last member of Sheridan Post No. 90, had expired.

The W. R. C. is the official auxiliary to that post and presumably the Sheridan post will live until the W. R. C. is dissolved.

The duplicate charter for post 153 was "dated at Headquarters of the Department of Kansas of the Grand Army of the Republic, at Abilene, on the 22nd day of October, 1886." It was signed by C. J. DeWitt, department commander, and attested by Assistant Adjutant-General W. T. Davidson. It will be noted that the duplicate charter bears a date nearly three years later than the original.

BOTH POSTS INCLUDED

The following roster of 374 names represents the membership of Coffeyville Post G. A. R. No. 153, as well as the membership of Sheridan Post No. 90. Department of Kansas. The late Adjuta O. T. Romig of Sheridan Post gave this list to the writer in 193 and he had it typed, Miss Lois Saunders, now city clerk, very graciously and efficiently accomplishing the typing, which was some task. The names were then checked and double-checked and seemingly most errors, due to the original being handwritten, were purged. The first date following each name denotes the year of enlistment and this is followed by the rank at entry. The second item denotes the year of discharge and the rank, if other than private follow this second date.

Our obits prior to 1900 are very rare, before WWII are not very common. Our death records do not start before October 1888. We have to depend on the tombstones for our information.

Ashby, Gertie died 12 Apr 1885 - no obit, but here is some info that I did find.
age 2 yrs 21 days (that would make her birthday around March 20, 1883)

Hinds, Pauline died 2 Nov 1887 -- no obit
23 years 7 months 14 days Elmwood Cemetery Block 6, Lot 19, Plot 4

Jones, Lillie died 12 Dec 1944 obit following (Our records say Dec 17, burial on 23rd)
Block 20, Lot 23, Plot 3

Moore, Olive A. 1924 obit following (2/21/24)
Block 8, Lot 25, Plot 3

O'Neal, Amanda Melvina 1925 obit following (4/15/25)
Block 7, Lot 8, Plot 5

I was able to locate three obits that you requested. The charge for the three will be \$1.00. When you send the payment, if on the outside envelope please write **Att: Joy**. I would greatly appreciate it, that way I will receive your payment and the work will not be duplicated Please include your address.

Dear Zandra,

I am sorry but I was unable to find the obits you need. My access is to the Independence (Montgomery County) Kansas library.

I did find burial info for the following names and determined that they all were apparently buried in the Elmwood Cemetery. You probably already had this information but in case you didn't, check out the red items below.

I'm sorry that I was not more help. Perhaps if you wrote to the Coffeyville, KS library about the needed obits, they might be able to help you. I believe the Coffeyville newspapers would be more apt to have their obits than is our Independence library. The Coffeyville library's e-mail address is coffepl@terraworld.net

 Subject: Re: [RAOGK-Req] Kansas Montgomery

This are the ones that I am looking for:

Ashby, Gertie died 12 Apr 1885 **2 yrs 21 days old at death.** *b- 22 Mar 1883*

Hinds, Pauline 2 Nov 1887 **23 yrs 7 mo 14 ds** *b- 13 Mar 1864*

Jones, Lillie 12 Dec 1944 **1872 - Dec 23, 1944 - 72 yrs**

Only years for this two.

Moore, Olive A. 1924 **Mother 1851 - 1924**

O'Neal, Amanda Melvina 1925 **1854 - 1925**

Some of them are buried in the Elmwood Cemetery and lived in the Area I believe of Cherryville(or something close to this) in Cherokee Twp. **There is a town named Cherryvale in Montgomery County but I believe that the Twp would be Cherry or West Cherry. I believe that Elmwood Cemetery is located at Coffeyville. Good luck!**

Thanks

brothers. During a family gathering here several years ago, he recorded on tape his version of the incident, probably as the last surviving witness.

His widow, whom he married in Coffeyville 64 years ago, survives him at the family home. Two of their family of nine children were born in Kansas, and the rest were born and educated in Dixon. Death Claims J. L. Ashby, Known By Many Pupils

A sudden heart attack suffered while raking leaves in the front yard of his home at 630 West B street Saturday ended the active, colorful life of James Lee Ashby, resident of the city of Dixon for the past 39 years. He was 87.

Funeral services were held Tuesday morning at Carpenter Funeral Home with the Rev. Gaius Thede officiating. Interment was in the Dixon Cemetery.

Mr. Ashby, whose death closed an active memory of the early Wild West, was in regular employment in Dixon until he was 84, involuntarily retiring as maintenance man for the city's parks on a change of retirement policy by the city.

Mr. Ashby was born in Westfall, Illinois on July 6, 1874 and at the age of seven moved with his parents to Coffeyville, Kansas. It was in that latter town that he witnessed an incident that has often been recorded as an unforgettable moment in the history of the early days. At the age of 18 while on an infrequent trip to town with his father, he was forced to find cover during a holdup of the town bank by the notorious Dalton gang. When the shooting was over, young Ashby moved out from his cover to see the strewn, lifeless bodies of four Dalton brothers. During a family gathering here several years ago, he recorded on tape his version of the incident, probably as the last surviving witness.

Mr Ashby came from Illinois and helped stimulate farming in this section of the state.

Milton Ashby, County Commissioner, died suddenly of heart failure a few minutes after 1 o'clock yesterday. Commissioner Ashby was stricken while on a mission of charity. He left his home north of the city to come here and arrange with Mrs. Fannie Williams, a city mission worker, for care of Mrs. Mary Funkhouser, an aged woman who has been in charge of the county for years. He stopped at the home of his sister-in-law, Mrs. Oline Moore, who lives this side of the Ashby farm for the purpose of using the telephone. Apparently he was in his usual health. As he started to leave the house to continue his trip to the city his heart failed him. His hand was on the knob of the door when he was stricken. Mrs. Moore noticed him start to fall and jumped to his side in time to catch him before his body struck the floor. He never uttered a word

and died instantly.

Dr. Hall of this city was quickly summoned by phone, but life was extinct when he reached the house in his automobile. The body was brought to the undertaking rooms of the Coffeyville Furniture Company and prepared for burial. The funeral services will be held Thursday afternoon at 2:30 from the home of the Ashby farm under the auspices of the Masonic order of which Mr. Ashby was a member. The Rev. G. W. Kitchen, pastor of the Christian church in this city will preach the sermon at the home. The Masons will have charge of the ceremonies at Elmwood cemetery, where interment will take place.

Mr. Ashby was 66 years old, being born October 27, 1846, in Vermillion County, Illinois, near Danville. His father James Ashby was a native of Kentucky. He was married in 1870 to Mary M. Graves of Vermillion County, who survives him. In 1884 he and his wife came west and located on a farm northeast of Coffeyville where they since resided.

Mr Ashby was a successful farmer, and always took an interest and active part in the affairs of Montgomery County. At the time of his death he was serving his eighth year as county commissioner. He was well and favorably known throughout the entire county and his death will occasion much sorrow and regret on the part of the county's populace.

Besides his wife he is survived by two sons, Lee and A. M. Ashby, a daughter Mrs. D. A. Jones of this city, two sisters, Mrs H. D. Smith, who lives in the county near the Ashby farm, and Mrs. William Doop of Cherrysdale. He also has a brother living back in Illinois who is now on a business trip to Texas. Relatives are trying to reach him by telegraph to notify him of Mr. Ashby's death. A daughter of Mr. Ashby died at the family home a year ago last Easter.

While the sudden death of Mr Ashby had not been anticipated by friends and ~~rela~~ members of his family, yet it came not as a very great surprise. He had

suffered with heart trouble for several years, having had a number ^{of} severe attacks previous to the final stroke yesterday. However of late he was thought to be getting along nicely.

The deceased besides being a Mason was also a member of the A. H. T. A. and the Grand Army of the Republic. He enlisted in Company E, 150th Illinois Volunteer infantry in February, 1865, and served until the following February. He was prevented from enlisting earlier in the civil war on account of his age.

IN MEMORIAM.

of

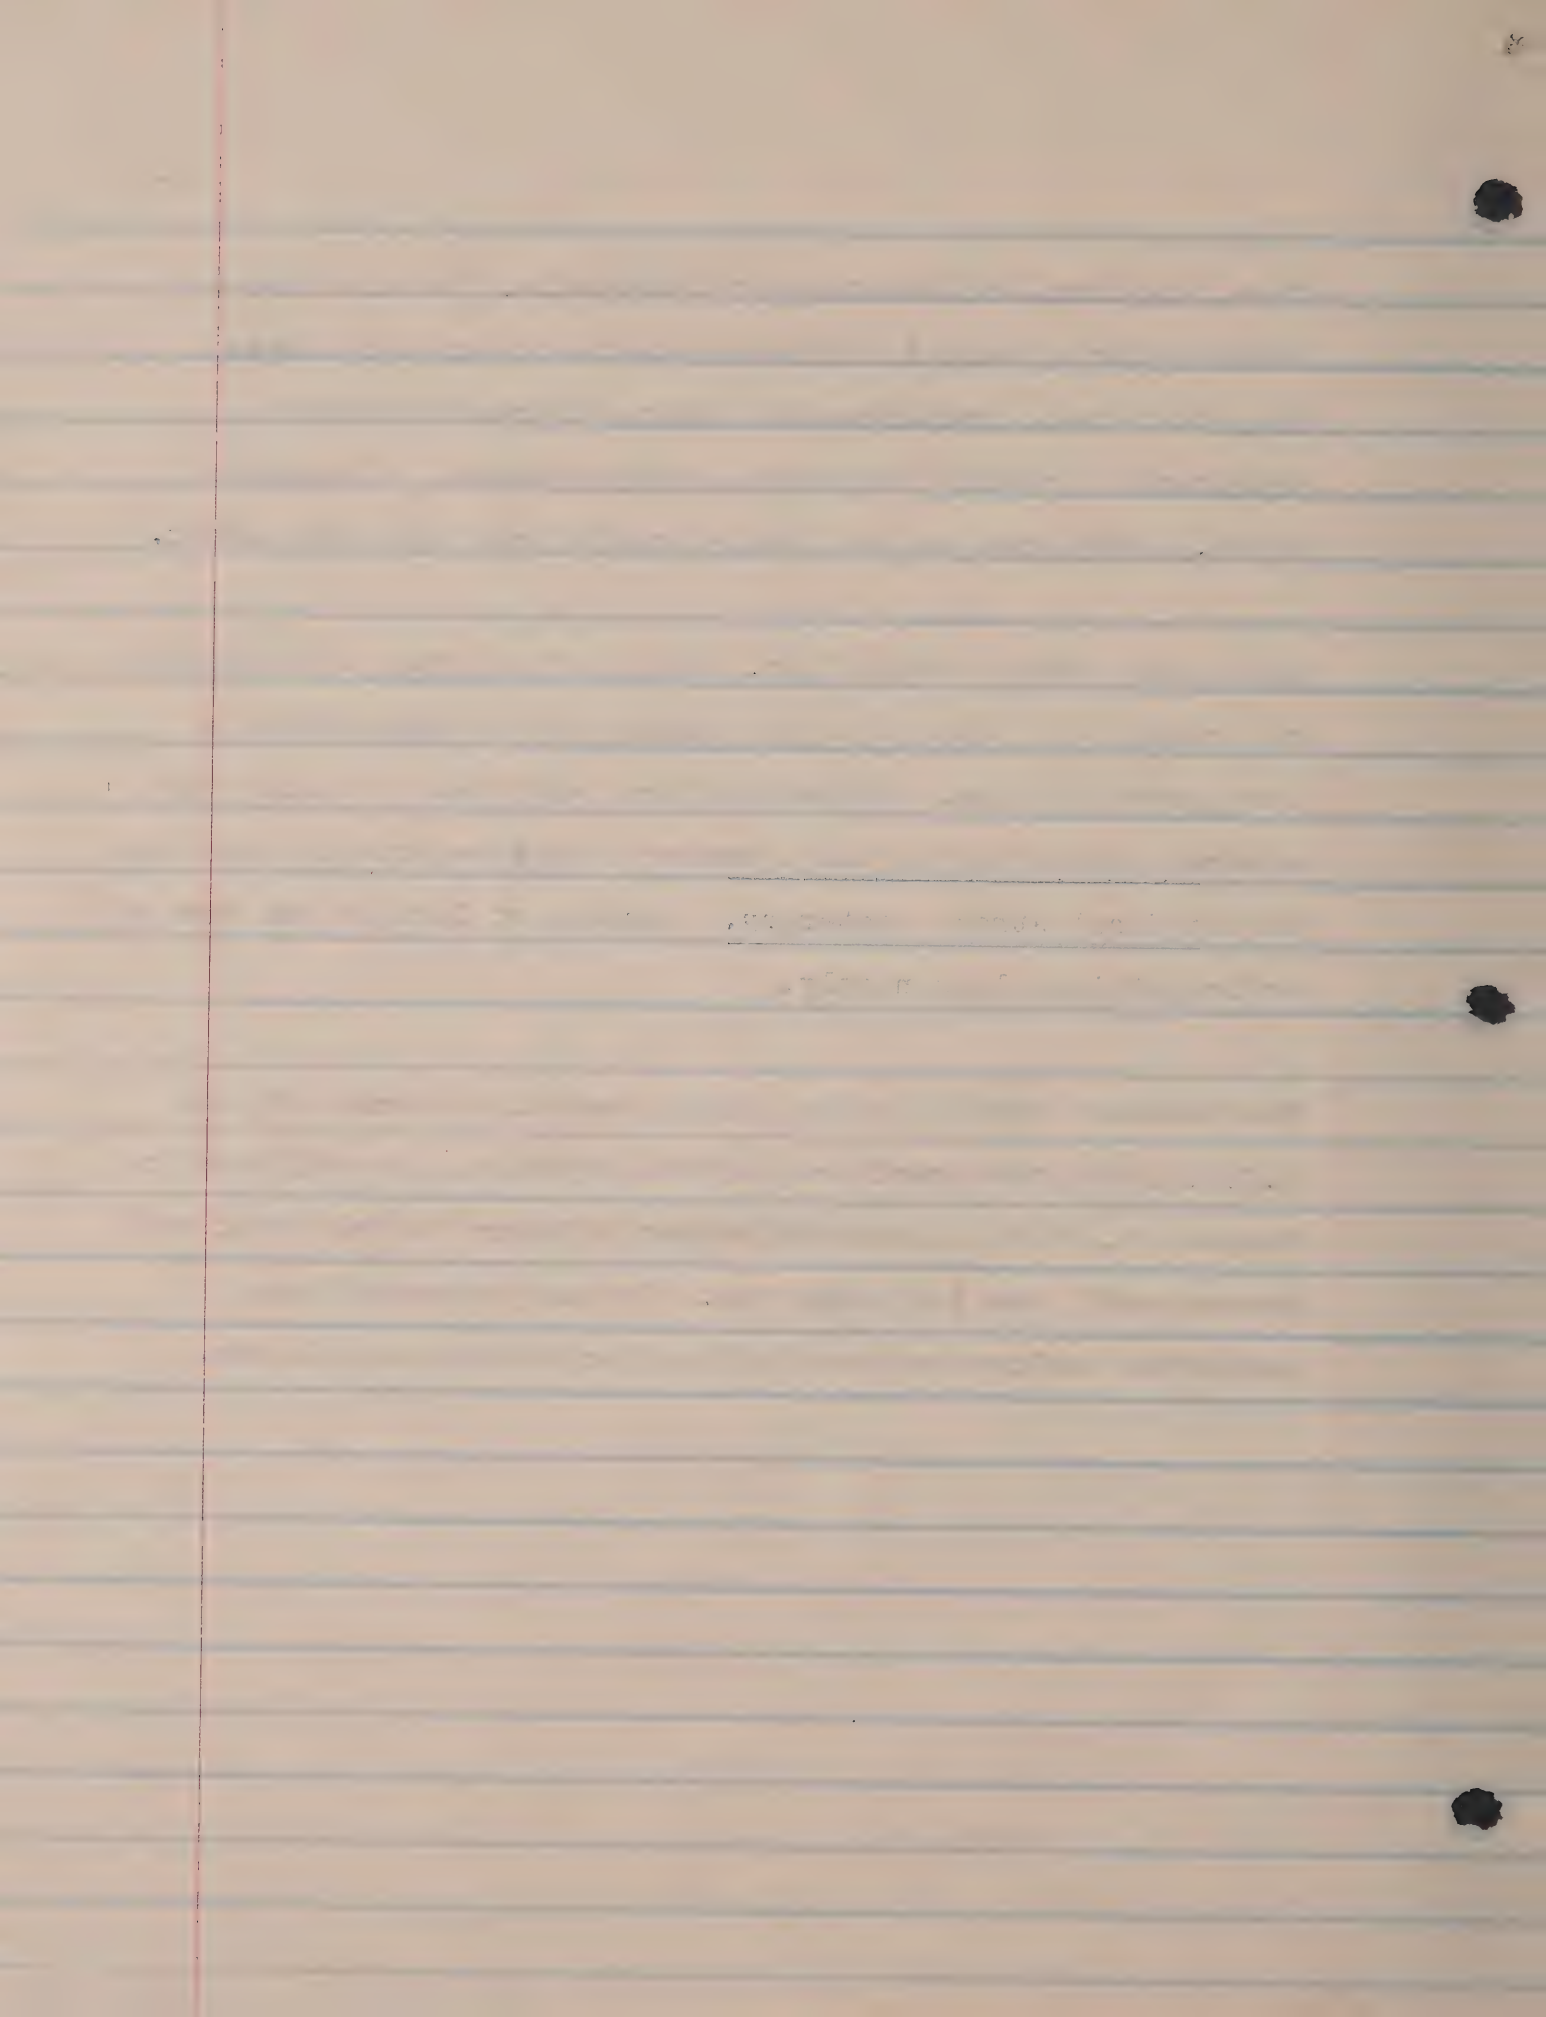

Milton Ashby.

Our ranks have been invaded, an officer has fallen, a good man is gone, and we pause today in the midst of the pursuit of public duty to contemplate a life and a lesson, which if given due consideration, tends to the welfare, advancement and good of mankind.

On occasions of this kind no negative vote is ever recorded, and in the presence of that most impressive phenomenon, a finished life, a completed work, the dissolution of the subtle tie which binds the soul to the mortal frame, the spirit wends its way whither all senses fail to discern, and faith alone can follow.

October 27, 1846, Milton Ashby opened his eyes to the morning in Vermillion County, Illinois. There he grew to majority, receiving his education in the old fashioned log school house. The books that he studied were meagre; the lessons few, yet he graduated with the degree of A.B. in manhood.

When a dark and threatening cloud obscured the Southern horizon and the lightning's flash from behind it's murky folds wrote with pencil of flame upon the dark brow of the Storm King, "War, cruel War", he heard his country's call and enlisted, February 4, 1865, in Company E, 150 Illinois Infantry, and served until the close of the rebellion; returning to the pursuits of peace he wooed and married Mary M. Gray, August 28, 1870. To them five children were born, of whom three survive him.

Our ranks have been invaded, an officer has fallen, a good man is gone, and we pause today in the midst of the pursuit of public duty to contemplate a life and a lesson, which if given due consideration, tends to the welfare, advancement and good of mankind.

On occasions of this kind no negative vote is ever recorded, and in the presence of that most impressive phenomenon, a finished life, a completed work, the dissolution of the subtle tie which binds the soul to the mortal frame, the spirit wends its way whither all senses fail to discern, and faith alone can follow.

October 27, 1846, Milton Ashby opened his eyes to the morning in Vermillion County, Illinois. There he grew to majority, receiving his education in the old fashioned log school house. The books that he studied were meagre; the lessons few, yet he graduated with the degree of A.B. in manhood.

When a dark and threatening cloud obscured the Southern horizon and the lightning's flash from behind it's murky folds wrote with pencil of flame upon the dark brow of the Storm King, "War, cruel War", he heard his country's call and enlisted, February 4, 1865, in Company E, 150 Illinois Infantry, and served until the close of the rebellion; returning to the pursuits of peace he wooed and married Mary M. Gray, August 28, 1870. To them five children were born, of whom three survive him.

On a quiet summer night, 1885, he heard, in accents sweet:-

"To the West, to the West, the land of the free,

Where the mighty Missouri rolls down to the sea,

Where a man is a man if he's willing to toil,

And the humblest may gather the fruits of the soil."

Accepting the invitation he located in Cherokee Township, Montgomery County, Kansas, where he lived until Monday, September 2, 1912, when, without warning, he met and surrendered to that invincible adversary which disarms alike the victor and the vanquished.

For almost eight years he served as commissioner from the Third District of Montgomery County, Kansas, and his utterances were the earnest expressions of well matured opinions and strong convictions; without circumlocution were directed to the points involved, and if they did not always carry conviction, they never failed to convince all who heard them of the earnestness and sincerity of the author. He was honest, just, faithful, unostentatious, modest, considerate, kind and courteous, true to his country and to his constituents, firm in what he believed to be right, and ever beligerent against that which he believed to be wrong. His was a life and example worthy of emulation, and we can only say - "Departed colleague, sleep on, thou hast earned thy rest, and the country is better that thou hast lived." Having passed the portals of the mysterious real, we would not call thee back, but in the glorious morning of the resurrection, may you hear, "Awake!AAwake!".

To his wife and children we tender our truest sympathy, and can only commend them to the guidance and direction of him who doeth all things well.

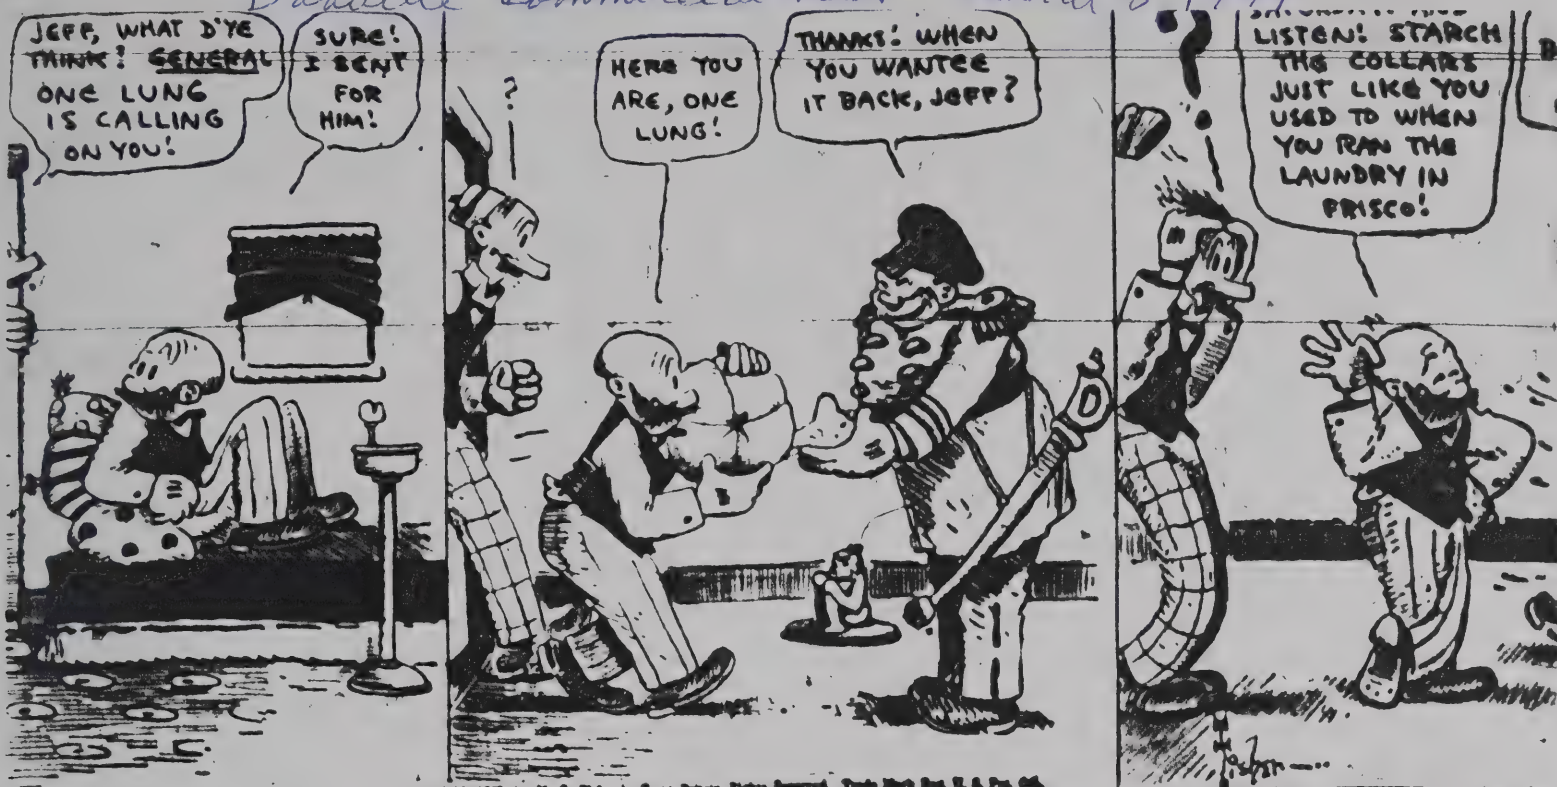

Be it Resolved, That this memoir be spread upon the records of our proceedings, and that it be published in the papers of Montgomery County, and a copy thereof furnished the widow and children.

FARMERS' ELEVATOR COMPANY FORMED

A Plan of This Kind Is Being Worked Out at Claytonville—Buy Other Elevator.

(Press-Democrat Special)
Claytonville, Ill., April 15.—Attorney C. E. Russell, of Hoopston, has been largely instrumental in the organization of a company of farmers in this vicinity into an elevator company and they have purchased the former Ricketts elevator which they will hereafter run to suit themselves.

The chain of Ricketts elevators in Iroquois and Champaign counties is passing into other hands. The company consisted of A. G. Ricketts and his two sons, G. H. Ricketts and his two sons, G. H. and Clifford. G. H. Ricketts had personal charge of the elevator here and Cliff Ricketts managed the one at Peosland, Champaign county. Cliff got into financial difficulties and absconded. His business went to the wall, dragging with it the other operated by the company. A. G. Ricketts and his son, G. H. Ricketts, have always stood high in the communities where they are known, and their many friends regret their difficulties. G. H. Ricketts was a candidate for the republican nomination for sheriff of Iroquois county last fall, and made a very favorable impression all over the county.

INTEREST IN THE CHRISTIAN CHURCH

(Press-Democrat Special)
Westville, Ill., April 15.—More than 100 persons were at morning service and Bible school last Sunday at the Christian church. A still larger number is expected tomorrow, as the service will be something unique and different from anything ever done before. Plans have been made to get a Bible class at 50 tomorrow.

and while they claim there is a balance in the hands of the village treasurer, there would be none if all the outstanding obligations were paid, but that there would be an actual deficit. Thus the contest wages and those who are in a position to know, state the contest promises to be one of the hottest ever fought out here. The outcome is therefore being watched with a great deal of interest.

AGED WOMAN IS CALLED IN DEATH

Mrs. Angeline Blakeney Passed Away at Home of Daughter in Georgetown Friday Evening.

(Press-Democrat Special)
Georgetown, Ill., April 15.—Mrs. Angeline Blakeney, one of the oldest residents of the county, died at the home of her daughter in this city Friday evening about 6 o'clock of the infirmities incident to an advanced age. Mrs. Blakeney has been a resident of Vermilion county for more than 80 years, having come here with her parents, Mr. and Mrs. Edward Bowen when a little girl, the Bowens having been among the first settlers of Georgetown township. Mrs. Blakeney was born in Bourbon county, Kentucky, in 1825, and was therefore 86 years of age. She was the widow of the late John Blakeney, a prominent citizen of the township during his lifetime, who passed away a number of years ago. They were the parents of two children, John Blakeney and Mrs. Martha Martin, both of whom reside in this city. In the death of Mrs. Blakeney, another one of the few remaining pioneer mothers has passed away—women who came here at an early day when this county and state were a wilderness and have been foremost in its wonderful development. It is due to the efforts of these noble men and women that the present civilization has been so firmly established, for all of them played an important part in the stirring drama of pioneer life in this section of the country.

The funeral will be held from the home of her daughter here at 10 o'clock Sunday morning and the burial will follow at the Old Brooks' Point cemetery, northeast of Westville, one of the first burying grounds in the county.

THREATENS TO BRING DAMAGE SUIT

(Press-Democrat Special)
Philo, Ill., April 15.—James Wand, a prominent farmer near this village, is threatened with a damage suit for having burned off twenty acres of clover stubble for Elijah Plotnar, while burning the corn stalks off his own field.

buy some land. The suit was brought in Johnson's name by his conservator. The courts in Chicago dismissed it and then it was brought to Iroquois county, where a new bill was filed. After more than a year it came to a hearing with the result that it was thrown out again.

A demand was made for \$7,700 as the purchase price of the land bought by Johnson in Mississippi. It was charged that the land was worthless.

Mr. Johnson, who lived near Papineau, was put on the witness stand and told the story of the trip to Mississippi and the inspection of the land before its purchase. He told a pretty straight story and a rational one but did not remember how many acres of land he bought nor how much he paid for it.

WELL KNOWN PASTOR REACHES OLD AGE

Rev. S. H. Whitlock Will Soon Celebrate His Seventy-fifth Birthday Anniversary.

(Press-Democrat Special)
Charleston, Ill., April 15.—Rev. Stephen H. Whitlock, now of this city, will on April 27 have reached the 75th milestone of his eventful life. He was born in Ohio and from a godly parentage that gave four sons to the ministry. All of these are living save Prof. Whitlock, who for so many years taught English literature in the Ohio Wesleyan University. Rev. Mr. Whitlock joined the United Conference on trial in 1869 and served the following charges: Nokomis, Maroa, Leroy Circuit, Leroy, Potomac, Ridgefarm, Homer, Macon, Clinton, Danville, Kimber church and as presiding elder on the Quiney, Mattoon and Danville districts.

For forty years he unfalteringly marched in the itinerant rank of the ministry and then at the Mattoon session of the annual conference a year ago last September asked for superannuation. It was a scene long to be remembered as the entire conference pressed forward to bid him godspeed to his new relation.

He has lived since his superannuation with his son, D. Merle Whitlock, in this city. At present he is preaching on Sundays and doing other needed work in caring for the First Methodist church in Mattoon during the illness of Rev. A. W. Mills.

THE MURDERER'S BROTHER INSANE

Ham V. Glascock, Farmer Residing Near Champaign, Raving Maniac At His Home.

(Special to The Press) Champaign, Ill., July 12.—William K. Glascock, well known farmer living at a distance north of this city, became violently insane Monday and Tuesday night was locked up in the county jail to prevent his doing injury to self or others. Tuesday morning was adjudged insane by a commission composed of Doctors J. M. Bartow and E. J. Miller and was taken to the state hospital at Kankakee. Glascock's case is a peculiar one. A first intimation officers had that he was insane was when his wife called upon the sheriff at 4 o'clock Monday morning saying that her husband had lost his reason and was violent. Officers went out but could see nothing wrong with Glascock. He talked intelligently and they avoided mention of the mission. As they were preparing to leave Glascock who was carrying a horse referred to his lapse of son. "I got hot today," he said, "I guess I did things I had no business doing. I'm getting all right again."

Mrs. Glascock added that he was covering and that there was no reason for molesting him. Early Monday night Sheriff Evans received a hurry-up call from the Glascock home and, accompanied by deputies Harry Evans and Charles Underdort and Police Officer Isaac Dade, went out in an automobile. They found Glascock, entirely nude, prying pictures and other articles from the house and smashing them on the road. He was captured and locked in the jail where he gave the authorities trouble all night by his extreme violence. His hallucinations of impending death fear of unseen enemies and ability to converse with spirits. His conversations with his mother long dead, throughout the night, caused the hair of other prisoners to stand on end. The physicians who conducted the inquiry are of the opinion that insanity has been coming on Glascock for a long time and that he probably is permanently deranged.

The patient is known to many, having been in the oil business here a number of years before taking up farming. He is a brother of Harry Glascock of Champaign, who not long ago was sentenced to life imprisonment for wife murder.

KYGER POST AT BLAKENEY FUNERAL

Remains of Well Known Veteran Laid To Rest in Georgetown Cemetery Tuesday Afternoon

(Special to The Press) Georgetown, Ill., July 12.—With the members of Kyger Post in attendance, the remains of James Blakeney, veteran of the 125th, was laid to rest in the Georgetown cemetery yesterday afternoon. Interment followed funeral services held from the Christian church at 2 o'clock, with Rev. Brown officiating. The services were largely attended, a fitting tribute to this beloved pioneer.

"Uncle Jimmy" as he was affectionately known, was the last of the Blakeney family of fourteen, the children of John and Sara (Oliver) Blakeney. He was 79 years and 6 months of age at the time of his death at noon last Sunday, having been born near Westville, Dec. 30, 1836. For several years he has made his home with his son, Hugh Blakeney, of this place. Another son, William Blakeney, of Los Angeles, Calif., survives.

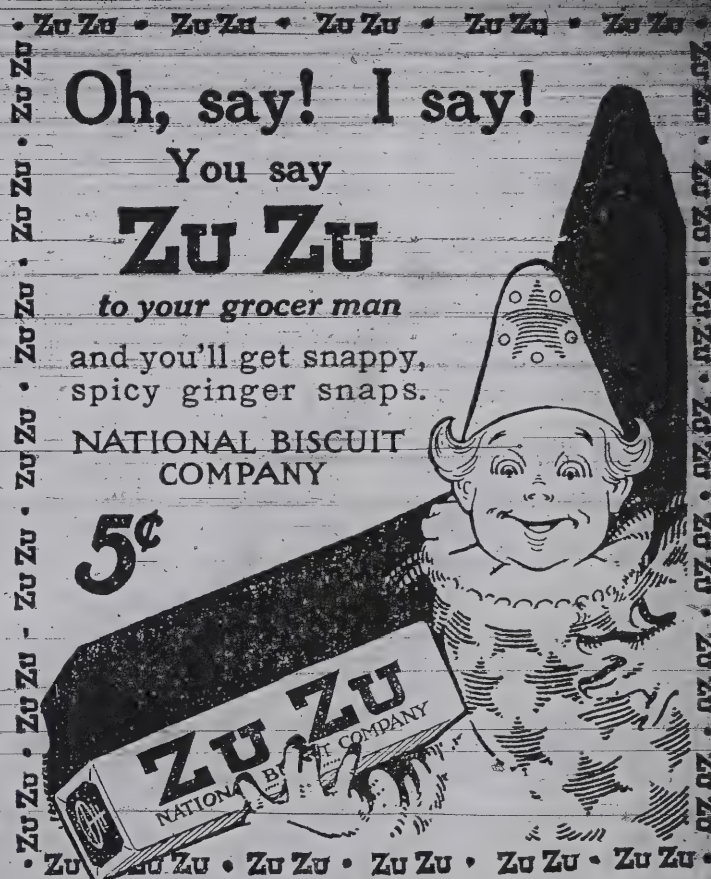

Mr. Blakeney was twice married. His first wife, Miss Mary Clifton, became his bride in '60. A few years later she saw her husband enlist in Co. K, 125th Ill. Vol. Inf., and march away to defend the honor of his country with that brave band. After the long years of campaigning he returned and took up his work as a carpenter. He tried his hand at farming and at one time owned a mill in the Hawbuck neighborhood. To this union prior to Mrs. Blakeney's death in 1883, were born five children, three of whom have since died. In 1888 he was again married, this time taking as his bride Mrs. Nancy Davis. She passed away in 1909.

Nearly three years ago Mr. Blakeney suffered a paralytic stroke which rendered him helpless. Always a man of activity, known far and wide as a hard worker, this enforced inactivity was very obnoxious to him, but during all those weary months he did

before his death was cheerful and apparently happy. All honor is due his son who spared nothing to make his father's life less irksome to him.

JAMES TOWN, N. Y., June 2.—Oren Speerey, who absconded twelve years ago with \$80,000 belonging to Chautauque County, of which he was Treasurer, has returned and surrendered himself to District Attorney Woodward.

He is 70 years of age and it is believed that efforts will be made to have the case dropped or postponed and Speerey placed under bond.

In the 35 years that Helen Crawford has been teaching in elementary schools, she has developed some "pets" — first graders.

"You can see the progress they make and it's very rewarding," the Edison School teacher said.

They enter the school year with a rudimentary acquaintance with words and leave reading books, she said.

Miss Crawford is retiring this spring after 35 years of teaching. The first eight years were spent at a one-room school near Henning that she also had attended as a child.

Wheat Prices Drop Sharply

Chicago — Wheat dropped for losses extending to more than 3 cents while corn and oats closed with minor gains and declines on the board of Trade Wednesday.

In an active trade, the market had several major price swings. Opening quotations were lower. Then a good rally developed, paced by corn. However, in the last 15 minutes heavy selling knocked values down quickly, leaving the market with a weak undertone.

The comparative easiness of wheat was based on a statement by Agriculture Secretary Anderson that wheat prices may get down to the government support level if a law requiring a carryover of 150,000,000 bushels on July 1 is not repealed.

Corn and oats showed greater strength than wheat because of the very small marketings of these cereals, reflected in firm cash market prices. In the first three days of March only 83 cars of corn have arrived here, compared with 1,721 the same period last year.

Wheat closed 2 to 3 1/2 cents lower, May \$2.42 1/2, 2.43, corn was 1 1/2 lower to 1 cent higher, May \$2.26 1/2, 2.27, oats were 1/2 lower to 1/2 higher, May \$1.14 1/2-3, and soybeans were 1 to 1 1/2 higher, March \$3.69.

New York — rails scored stock market. Price changes were limited. Stocks continued recent oscillations. Activity picked up in financial upholding in the shares. No minute signs.

REPORT

Grain—Live Stock

Stock List

Irregular

NEW YORK—While a few stocks in most departments managed to give a fairly good account of themselves Monday, market leaders generally languished at moderately lower levels.

With the ticker tape crawling during the greater part of the proceedings, transfers approximated 650,000 shares. About the best that could be said of closing prices was that they were a shade irregular.

Profit-taking on Saturday's run-up was in evidence from the start. Revival of speculative timidity, brokers suggested, was due partly to the desire to await more light on the leanings of Congress in the spending controversy and stronger indications that business would resume the upswing in the next month or so.

Then, too, a somewhat cloudier foreign picture was seen as an intervening influence, with a renewal of the Italo-French quarrel and signs the Spanish Civil War was reaching a crisis.

Official estimate of a one-point advance in this week's steel mill operations failed to buoy the majority of the stock.

Bonds were uneven, as were commodities. Sterling, in late transactions, was down 5-16 of a cent at \$4.87 7-16. The French franc was .00% of a cent ahead at 2.64 cents.

Lawmaker criticizes O'Bannon on taxes

The Associated Press

INDIANAPOLIS — Gov. Frank O'Bannon's press secretary is refuting a lawmaker's claims that O'Bannon has not adequately defended actions taken to blunt effects of the statewide property tax reassessment.

Spokeswoman Mary Dieter said the Democratic governor has traveled the state promoting the tax-restructuring and property-tax relief package enacted last year, as well as economic development initiatives pass this year.

"The governor is very aware and very concerned about any

we have so little information about the statewide effects of property assessments."

But Rep. Scott Pelath, D-Michigan City, said O'Bannon has not done nearly enough to promote the tax-restructuring law.

"As ducks go, he is not only lame but apparently has slipped into a coma," Pelath said. "I feel like the state has been led into battle and the commander has left the field. He needs to get back in the fight and he needs to be the type of leader that was twice elected."

April 25, 1910 - August 1, 2003

Miss Me - But Let Me Go

When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room!
Why cry for a soul set free!
Miss me a little - but not too long
And not with your head bowed low!
Remember the love that we once
shared

Miss me - But let me go!
For this is a journey we all must take
And each must go alone
It's all a part of the Master's Plan
A step on the road to home.
When you are lonely and sick of heart
Go to the friends we know
And bury your sorrows in doing good
deeds
Miss Me - But let me go.

S. T. ELLSWORTH DEAD

Passed Away Yesterday Evening, at
the Age of 83.

Sylvanus T. Ellsworth, aged 83, one
of the best known of Vermillion coun-
ty's old residents, died yesterday even-
ing at 6 o'clock, at the home of his son-
in-law and daughter, Mr. and Mrs.
William Parker, one mile west of
Westville, after an illness of several
months. The funeral will be held
Wednesday at 10 o'clock from the
home of Mr. and Mrs. Parker. Burial
will be in the Sandusky cemetery, one
mile east of Westville.

S. T. Ellsworth came to near Brooks-
Point from Springfield, Ohio, in 1840,
and was among the first auctioneers in
this county, and he combined this busi-
ness with farming, and made both a
success. He cried sales all over the
county for years, and this particularly
accounts for his wide acquaintance.
He was for several years a prominent
republican, and in his early life was
an instructor in vocal music. He lived
nearly all his life within half a mile
of where he passed away. His wife,
whose maiden name was Certilda
Graves, died fifteen years ago, since
which time Mr. Ellsworth made his
home with his children, living most of
the time with Mrs. Sarah Parker,
Westville, and Mrs. Kate Dukes,
Georgetown. The names of the other
children are: Mrs. Mary E. Burroughs
and Mrs. Eva Watson, this city; J. P.
and L. L. Ellsworth, Westville, one
daughter, Maggie Current, died several
years ago. Deceased leaves one brother,
Moses Ellsworth, La Cygne, Kas.,
who is 86 years old.

LEG BROKEN

Verlin Haas Meets with an Accident at
Vermillion Heights.

Sunday afternoon at 5:30 o'clock
Verlin Haas, the seven-year-old son of
Mr. and Mrs. C. J. Haas, No. 1315 Mc-
Kinley avenue, was thrown from a
buggy in Vermillion Heights, and his
right leg broken above the knee. He
was removed to his home, where his
injury was given the proper attention
by Dr. J. M. Guy.

Young Haas had climbed in a bug-
gy for a ride, and the driver urged the
team forward so suddenly that the boy
was thrown to the ground from the
rear of the vehicle.

ACCIDENT AT BROOKSIDE

John W. Mincha, a Polander,
Killed by Fall of Rock.

Wife Nearly Crazed, with Grief as a
Result—Coroner will Hold the In-
quest this Morning.

Yesterday afternoon at 3:30 o'clock
John N. Mincha, a Polander, aged 33
years, was instantly killed by a fall of
rock in room 12, tenth west entry,
Brookside mine. His head was split
open from the top of the head to the
chin, spattering brains and blood about
the room. He was also injured about
the body. The remains were taken
out by Ed Blue and others and re-
moved to the home of the deceased in
the old building, near the former site
of the Shields distillery. Mincha had
a wife and three children, and the
pathetic scene enacted at the
house was enough to melt the stoutest
heart. Mrs. Mincha screamed and ac-
ted like one crazed, and it required
three men to restrain her. When she
learned of the accident she ran scream-
ing to the mine and insisted in going
down into the shaft. Persons who tried
to console her were rudely pushed
away, and one man was struck in the
face by the fist of the half-crazed wo-
man. The blow nearly knocked him
down.

Coroner Johnson was notified of the
accident and will hold an inquest this
morning at 9 o'clock.

At the time of the accident Mincha
was engaged in shooting down coal. He
has three brothers, and two of them
were in the room with him. After hav-
ing fired the second shot he went back
within a short distance of the spot
where the coal had fallen, and stick-
ing his head from ground a post pro-
ceeded to investigate. A large mass of
rock broke loose from the roof and
came crashing down on him.

The accident was caused by careles-
ness. A practical miner said that had
the accident been avoided the accident
would not have happened. He said
that there was no need for him to have
gone near the coal that he had shot
down, and it was only curiosity that
prompted him to do so.

As is the custom of the miners,
there was no more work in the Brook-
side mine yesterday after the accident.
The men came out immediately and
will remain out till after the funeral,
which will be under the auspices of the
U. M. W. of A.

GIRL TOOK POISON

Pearl Holloway, Niece of Circuit Clerk
M. J. Barger.

Circuit Clerk M. J. Barger received
word yesterday morning that a niece
of his, Pearl Holloway, the 15-year-

son, two sleeve buttons, and various
other buttons on his undergarment.
There is one buckle on his trousers and
two on his suspenders. He wears in-
garters. He wears one necktie, and
sometimes one cravat with one clasp
to hold it in place. He carries a
handkerchief in his pocket. He wears
one hat. In the winter he must have
two gloves and one overcoat, and must
be two overshoes. But this is not all.
He has a watch and chain to carry
around with him, a bundle of letters,
a package of cards, a plug of tobacco,
or maybe a few cigars, a pipe perhaps,
a knife, a pencil and a few other
things which usually make up the
pocket outfit, such as matches, buck-
eyes and other good-luck symbols.

There is leather in his shoes, with
hair in the soles and steel pegs in the
heels thereof. There is silk or satin in
his cravat or his necktie. There are
wool and cotton and linen and other
things in the clothes he wears. There
is straw in his hat. There is starch in
his shirt. There are gold and silver
and pewter in the watch and chain he
wears; there are brass and bone in
some of his buttons. There is tin in
his garter claspers and in the clasp-
er which holds the cravat in place.
There is glass over the face of his
watch. Dye is used in staining his
clothes, and one may find here all the
colors—red, white, blue, black, purple,
yellow, brown and almost every tint.
He has paper in his pockets. There is
rubber in his suspenders and garters.
Paint is found in the figures on the
face of his watch and polish is found
on his shoes.

All this, to say nothing of the good-
sized "load of hops" under which many
a man staggers.

There would be no opportunity to favor any special group to the detriment of the others, least there would and could be a change in supervisors every four years. Under the present outdated, non-responsive supervisorial districts there is small chance for change.

The civic and governmental affairs committee of the Grass Valley Junior Chamber of Commerce drafted the boundaries of Proposition A following a two-year study. The proposal was placed on the Nov. 8 ballot by initiative petition since that was the only method open to place it before the voters. Initiative petition is democracy itself in action and is the last resort when regular channels fail or are closed to qualified requests.

According to the state law, supervisors may redistrict by a four-fifths vote of the full board. This has never been done in Nevada county and is an almost impossible method of redistricting. Human nature being what it is, no supervisor will redistrict if it threatens his reelection chances. good government and equality of representation not withstanding; therefore redistricting should be either automatic or left to the county voters who should have some say as to just how they are to be governed.

Members of the JCC civic governmental committee will welcome the opportunity to discuss Proposition A before any group or organization and likewise invite any member of the "opposition" group to appear at the same meeting. Dial 273-6990 for program reservation, any time, any place, any organization. We believe an informed voter is an intelligent voter. This Saturday night at 7:30 p.m. the High School Bible Club will hold its October rally at the Congregational Church located at the corner of Church Street and Neal Street. The film "Teenage Rock" will be shown.

"Teenage Rock" is a portrayal of the lives of a high school basketball star and his girl friend, one of the cheerleaders. This film takes a bold, frank look at the morality problems facing modern high school students and, in contrast, portrays the Gospel with such clarity that even those who have never heard it before can understand its meaning. All young people are invited to attend this inspirational film.

 Killed and Severely Hart by Lightning.
 We have already told that Doctor F. Graves was killed by lightning on last Thursday evening, at five o'clock, on his farm, eight miles southeast of this city. Further particulars are as follows:
 He was stacking hay with several hands, and very anxious to get it up before the rain. Several members of the family were at the stacks, among them his little daughter Nellie, nine years old. She had been at that famous fun for children, riding a horse which was pulling hay shocks. When the rain approached Mr. Graves mounted behind his little daughter, took her in his arms and started for the barn on a gallop. Several men with horses remained behind the stacks, Frank Jameson followed Mr. Graves on foot; about one hundred yards behind. When passing over some low ground, and while leaning over his little daughter to shield her in his bosom from the rain, the fatal bolt struck him in the back of the head, leaped from his body into the horse, killing both man and animal instantly, and rendering little Nell unconscious, and all fell in a heap. Jameson was felled to the earth by the same shock, hence no one saw Mr. Graves fall, and the fatal accident was not discovered for some seconds afterwards. Jameson was not seriously injured.
 Nellie was supposed to be dead when carried to the house, but was found to be still living. Her clothes were set on fire

 There can be no reason for further delay.
 I propose that the township Republican

The Davis Family.

Danville is to be favored with a genuine musical feast on next Friday evening at Kimber church, in the appearance of the celebrated Davis Family Concert Company, of Terre Haute. It is needless to say to those who have heard this company that their entertainment is of the highest order and draws out the best people wherever they appear. To say the Davis family, from the sire to the youngest son, are prodigies in music, is but reiterating what all say who have heard them. This will be their second appearance in Danville, and the News hopes they will be greeted with a large audience—just what they deserve.

Death of Greenville Graves.

A dispatch was received in this city yesterday announcing the death of Greenville Graves. It will be remembered that Mr. Graves was adjudged insane some four weeks ago, and was taken to the asylum at Kankakee. He was getting along as well as could be expected until last Friday, when he had a stroke of paralysis, which resulted in his death yesterday morning at 10 o'clock.

His age was 72 years, and he was one of the oldest residents in Vermillion county, having resided here fifty-two years. He was the father of Mrs. S. A. Leaverton and Taylor Graves, this city; Mrs. J. H. Dougherty and Mrs. A. B. Russell, of Fairmount; Mrs. Samuel Black, of Westville; Mr. D. S. Graves, of Springfield, and J. H. Graves, of Cherryvale, Kan., by his first wife, and has two daughters by his second wife, the Misses Julia and Flora, who, with their mother, reside a mile and a half east of town on the Perryville road.

The remains will arrive in the city this afternoon. Due notice will be given of the funeral in to-morrow morning's issue.

Coal Mines Flooded.

At seven o'clock Sunday night water broke into the Ellsworth Coal Co's mine No. 4, at Tilton, and flooded it. On investigation yesterday morning the cage room, which is located at the bottom of the shaft, contained between four and five feet of water. [Jim Jones, the pit boss, knows just how deep it was, because he got an unexpected bath in it. As he struck the water his yells that followed were distinctly heard in this city. Then in order to get the joke on some one else he induced Mr. Alexander to take a trip below. Then it was Jones' time to laugh. Every body knows how loud Jim can laugh. It is said his laugh, on this occasion, was heard in Chicago.] Yesterday about noon it was found that the water had broke through into mine No. 2 and flooded the entire west side. Later in the day the naughty water found its way into mine No. 3, flooding thirty-eight ropes.

The mines are so situated that they can be drained off, and that result will be obtained in three or four days. About two hundred men are therefore temporarily idle.

Obituary of Orval S. Graves.

Orval Scott Graves was born in Bourbon county, Ky., May 6th, 1818, and died June 22nd, 1892, at 1:15 p. m., and with his parents moved to Vermillion county, Illinois, in 1828 at the age of 25. He was married to Sarah A. Ashby, September 21st, 1843. To them were born seven children, of whom four still survive him. He leaves his wife, James L., Henry C., Maria Isabell and Orville D., to mourn their loss. In him was found a kind and loving husband, an affectionate father and an upright citizen. He will not only be missed by his family, but his many friends will see him no more around the old homestead. The Lord giveth and the Lord taketh away and blessed be the name of the Lord.

His funeral was on the 24th inst. at 1 p. m. at the house. Rev. Wm. Campbell of the C. P. church, Westville, preached a brief sermon from Job 14: 1-10, mostly from the 10th verse. The burial was in the Sandusky cemetery. The pall bearers were S. T. Ellsworth, D. G. Lockett, Jasper Olehi, Jas. Cook, James R. Hines and Samuel Cook.

So passes to eternal rest a man who helped to make this great country prosperous.

Death of Mrs. W. C. Lanham,
Died, one mile east of Westville, August 8, 1890, Mrs. W. C. Lanham, aged 25 years. Her sickness was of short duration, but her suffering was great, but she maintained a most noble Christian spirit till the end came. She had been for several years a member and a supporter of the Christian church. She took great interest in Sunday school work, and her death will be widely mourned.

The funeral services will be held this afternoon from the residence, Elder J. C. Myers officiating.

Deceased was the daughter of Mr. and Mrs. Levi H. Graves, well known residents of Getgetown township. She was married little more than a year ago to W. C. ("Val") Lanham, an exemplary young man, who is almost heartbroken over his irreparable loss. No wonder, for none were more happily married than they or had a brighter future before them. The following beautiful lines are appropriate:

"Leaves have their time to fall,
And flowers to wither at the north wind's breath,
And stars to set—but all,
Thou has all seasons for thine own, Oh,
Death!
We know when moons shall wane,
When summer birds from far shall cross the sea,
When Autumn's hues shall tinge the golden grain—
But who shall teach us when to look for thee?"

Print Has Cleansing Power, Says Allen

Governor Thinks Nothing Is Gained by Putting Crime Off Front Pages.

Lawrence, Kan., April 15.—Former Governor Henry J. Allen, speaking to newspaper classes at the University of Kansas today, said he saw no prospective improvement in placing stories of crime on the inside pages.

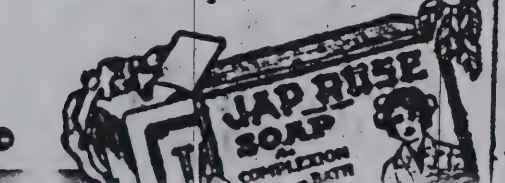

"There is a cleansing power in print," declared Mr. Allen, defending the publication of news about otherwise prominent persons who have committed crimes, but he regarded as indefensible the printing of ordinary crime accounts in great detail.

"Newspapers are justified in printing a guess when the facts cannot be arrived at, if it is labeled as a guess," said Mr. Allen, "but no newspaper is justified in substituting a guess for a fact."

Charges Anti-Bonus Propaganda—
Washington, Feb. 21—Secretary Mel-
lon replying to charges made in an
address here last night by John R.
Quinn, commander of the American
Legion, said he knew nothing about
any activities of corporations "known
as the Mellon interests" engaging in
a campaign against the soldiers bonus.
Mr. Mellon added that he had not con-
tributed a penny to any such activity.
Mr. Quinn, although declaring "I sup-
pose technically Mr. Mellon has cov-
ered his connection with all private
enterprises," asserted "business asso-
ciates" of the secretary had "coerced"
employees to oppose the bonus and
that through these channels the "Mel-
lon fortune is being used in part" to
promote a paid propaganda against
the compensation proposals.

Call Ludendorff Trial Tragedy—Ber-
lin, Feb. 21—(By the Associated
Press)—The trial of General Luden-
dorff fixed for Feb. 26 in Munich is
called "a patriotic tragedy," a public
protest published by the National As-
sociation of Ex-Officers. The protest
says: "To arraign the former leader
before a court of justice does not cor-
respond at all with the dignity of the
German people and even our enemy
countries admit that Ludendorff was
inspired solely by patriotic motives."

at the home of her granddaughter,
Mrs. C. H. McWhorter, 814 Spring
street, following an illness which
began early last December. Her
condition had been critical for sev-
eral days and the end was not un-
expected. She was surrounded by
her nine children when her life
ebbed away.

Mrs. Moore was in her 73rd year.
She was born July 10, 1851, at
Danville, Illinois, and her maiden
name was Graves. March 30, 1868,
she was married at Urbana, Ill., to
David E. Moore of her home coun-

About two years later

1901, the husband and father
passed away and the following
year she and her children moved to
Edna, where she made her home
until 1909, when she moved to Kal-
loch. About 1915 she came to
Coffeyville but thereafter spent
much of her time visiting with her
children and grandchildren. Last
summer she spent in New York,
returning here in October.

Mrs. Moore was a member of
the Christian church and of the
Women's Relief Corps. She was
the mother of twelve children, nine
of whom are living. Twin girls
died in infancy in 1874 and Mamie,
aged about 4 years, died in 1888.

Independence has long felt the need of an electric line from here to Table Mound, and the big cement plant there. It is believed there is almost enough business at that point alone to warrant the building of a line to that place. Then there is Sycamore and the brick plant north of it, which is considerable of a settlement. Next is Neodesha, with a corporate population of 2,800 and a surrounding population of 3,000 more.

North of Neodesha is Buffton, with a population of upwards of 600, and Altoona, one of the live-wire towns of the oil and gas belt, and from there to Chanute is the Swedish settlement, which is comprised of a thrifty and successful class of people, who would give enthusiastic support to a street railway enterprise.

Such a line would be practically the same length as via Cherryvale, and would tap territory which would scarcely be contested by another line. The Siggins people could then extend their Cherryvale line to Parsons and connect with other lines which propose to build to Chanute from both the southeast and southwest for his system thence to Kansas City.

FUNERAL OF MRS. PETERSON

Services Held at the Ashby Home, Burial in Elmwood Cemetery.

The funeral of Mrs. Maude Peterson was held this afternoon at the home of the deceased's father, County Commissioner Milton Ashby, who resides about three miles northeast of this city. Rev. G. W. Kitchen, pastor of the Christian church of Coffeyville, officiated. The services were largely attended by friends of the family from this city, Independence and other nearby towns.

At the close of the ceremonies at the Ashby home, the remains were escorted to this city and given burial in Elmwood cemetery. County Clerk Otwell and Register of Deeds Amos Skinner were among the county officials from Independence who attended the funeral. Mrs. Anna Feige and others from Dearing were also in attendance.

MINISTERS AFTER FREEMAN.

Declaration That Bible is Not Inspired Causes Comment.

Kansas City, April 18.—Utterances concerning the inspiration of the Bible made in a sermon here by Rev. Luther Freeman, president of the Morningside College of Sioux City, brought censure upon the head of that divine today. The Methodist Ministers' association of Kansas City adopted a report "Disavowing and repudiating his remarks as 'a grave reflection upon the Methodist ministry.'"

Persons who heard Freeman preach in the local church several weeks ago said he made a statement that the Bible was not an "inspired book any more than Shakespeare was inspired."

PRESS REPORTS PROVOKE CHINA.

By the Associated Press.
Amoy, China, April 18.—The Chinese populace is greatly wrought up as a consequence of the publication in the local press of the frequently recurring rumor that the Japanese plan a seizure of Manchuria and of the Fukien province in which this is situated.

being raised in the Mennonite churches of this section.

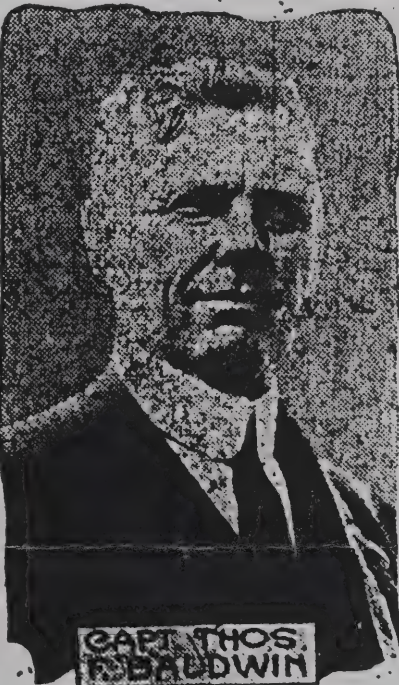

Nearly a year ago the Reimer family came to America to join their kindred here. At Galveston, Texas, where they landed, they were required to undergo a strict inspection of the immigration bureau and the surgeons decided that the three children could not be admitted because of an infection of the eyes. The parents were permitted to enter but the children were sent back to Russia. The parents did not have money enough to go with them. The heartbroken father and mother came to Kansas, settled at Hillsboro, and made their dilemma known to their brethren among the Mennonites. The latter at once began raising funds, took the matter up with the government and now believe they have found a way of uniting the family again.

Washington, April 18.—Edward A. Moseley, secretary of the interstate commerce commission and originator of much labor legislation, died here today, aged sixty-five.

Japs Are Trying to Excel in War Aviation

New York, April 18.—Captain Thomas F. Baldwin, the fifty-eight-year-old aviator who has been going

up in the air in one sort of a contraption or another since 1875, is back in New York from his trip to the orient, where he has been doing aerial stunts for the amusement and edification of astonished slant eyes. He says the Japanese are showing tremendous interest in airships and that the mikado's army and navy are training their men to become skilled aviators. He says that if Japan ever goes to war again she will depend greatly on aeroplanes for scouting and attacking purposes.

"At Osaka, in Japan, we one day had a crowd of 400,000 natives," says Captain Baldwin, "and not a soul got on the field without first paying his 10 cents."

plains were vacant and men will be brought here from Fredonia to make up the full quota.

"It is expected that the local plant will run the remainder of the season, at least," said one of the office men Tuesday morning. "However, the length of the time we will continue to run will depend greatly upon the market conditions."

EXTEND THE TIME OF DEBATE

Friends of Reciprocity Prolong Discussion in House.

By the Associated Press.

Washington, April 18.—Canadian reciprocity is again the subject of debate in the house today, the third day of the discussion and originally planned to be the concluding day. However when the house convened Chairman Underwood of the ways and means committee declared so many appeals for more time had been made to him that the debate must be prolonged at least another day.

Representative E. J. Hill, of Connecticut, Republican member of the ways and means committee opened the debate on reciprocity. Hill declared the attitude of some farming communities against reciprocity were based on wrong information and presented figures to show that the average protection given the farmer was greater than that given the manufacturers.

SUCCESSOR FOR GEORGE GOULD.
By the Associated Press.

New York, April 18.—Directors of the Missouri Pacific railroad held a protracted meeting this afternoon for the purpose of nominating a president to fill the vacancy caused by the retirement of George J. Gould. Several directors are urging the selection of B. F. Bush, president of the Western Maryland railroad.

RAISING THE BRIDGE FUND

Over \$2,000 Already Subscribed for Spanning the Verdigris.

John Lineman and others who are interested in promoting the movement to bridge the Verdigris river at Sixteenth and Walnut streets, leading to the big bend farming district southeast of the city, announced today that he was meeting with the best of success in circulating his petition for contributions to help defray the expense of the proposed improvement.

At noon today over \$2,000 had been subscribed by individuals and this amount will be doubled before the proposition is submitted to the board of county commissioners. It is believed that the bridge can be built for about \$8,000 and it is understood that if the property owners will raise half of the cost the county will put up the other half.

oman's bed found her cold in death. She at once notified him. Miss Mitchell's story was practically the same.

The husband of the deceased passed away about 18 months ago. The aged couple had made Grape Creek their home practically their entire lives, and were known to everyone in that vicinity. Surviving are three sons and the 17-year-old niece.

Funeral services will be held from the residence at 2:30 o'clock Thursday afternoon, Rev. John Larson officiating. Interment will be made in the Parish cemetery.

JOSEPH SPICER.

Joseph M. Spicer, 64 years of age, died at his home in Grape Creek at 1:15 o'clock Wednesday morning, following an illness of more than 6 months duration.

The funeral will be held from Willow Springs chapel at 11 o'clock, Friday morning, Rev. Lawless officiating. Interment will be made in the Parish cemetery.

The deceased was born near Grape Creek Feb. 2, 1850, and since then has never had any other place of residence. He was a miner, employed by Kelly No. 4 until about 4 years ago, when ill health and advancing age made it impossible for him to continue his work.

Surviving are the widow and seven children, namely: James, Ernest, Charles, Joseph Jr., and William Spicer, of Grape Creek; Mrs. Josie Wilson, of Grape Creek, and Mrs. Grace Brooks, of Riola.

Left For New Position.

E. A. Wood, of the book-keeping department at the Business college left Wednesday morning for Pence, Ind., where he will assume his new position as manager of the Steel Hayrack Co.

WOMAN IMPORTANT WITNESS IN TRIAL

Winchester, Ky., April 1.—The most important testimony in the trial of Thomas Davidson, one of the fifteen defendants charged with complicity in the murder of Edward Callahan, former sheriff of Breathitt county, was that of his daughter-in-law Mrs. Wilson Callahan who was on the witness stand late today.

Mrs. Callahan, who was a witness of the shooting, said she saw three men run from the hillside from where the shots that killed Callahan came. She said that she fired six shots at the men and afterward followed them for some distance, claiming to have recognized two of them.

Oldest Union Printer.

(By The Associated Press.)

Denver, Col., April 1.—Robert R. Friend, 83, said to be the oldest union printer in the United States, died at the home of his son here today. Friend came to Denver about

him, who has seen the church grow from a small organization to its present power.

Other pastors present were Rev. C. L. Flanders who read the scriptures and Rev. S. E. Hamilton, who rendered the benediction. The unveiling of the spade, which had been wrapped in the national colors, was very impressive and was performed by H. H. Bolles, one of the members of the building committee. All in all, the service was auspicious and forecasts a new era in the history of local Baptists.

THREE MORE ADDITIONS.

There were three more additions at the Fourth Church of Christ, last evening making a total of 21 for the past week. Rev. J. A. Barnett preached on the subject of "The Lost and Found", using as an illustration the parable of the lost sheep, coin and boy from the fifteenth chapter of Luke. The sermon was full of interest throughout and many favorable comments were made. A feature of the excellent song service was a duet by Milford Jackson and Miss Ruth Covert, "Won't You Come Back Home."

Rev. Barnett will preach this evening on the subject of "The Ordinance Of The Lord's House", which will be illustrated by means of a chart. All are invited.

to the widow of an honorably discharged soldier or sailor and \$2 per month for each child under 16 years of age, provided that the widow shall have married the soldier prior to the passage of the bill. The pensions are to be limited, however, to widows without means of support other than their daily labor and an actual net income not exceeding \$250 a year.

An inquiry among the camps of the United Spanish War Veterans indicated there were about 4,000 widows of men who served in the Spanish war and the Philippine insurrection. It is estimated that an appropriation of \$2,500,000 will be required to pay the pensions.

CORRECTED BY BRUN.

Washington, April 1.—Danish Minister Brun today corrected a misapprehension which has arisen from cable reports concerning the status of the new arbitration treaty between the United States and Denmark. The treaty which was signed in Washington on Feb. 3, last, was ratified unanimously and with great enthusiasm by both houses of the Danish parliament and was approved by the King of Denmark on March 7 last.

Mr. Brun says great importance is attracted to the treaty in Denmark, where the sentiment strongly advocates unrestricted arbitration for international questions, in the confident

son, where about a hundred and fifty became scouts under Mr. Barger's direction.

The class of boys of the First Presbyterian church, under Deputy Scout Commissioner Williamson, will spend Friday evening around the camp fire in the woods, and if the weather is real good, they will make an overnight hike of it.

The Scout movement is a supplementary movement to the work of the Civic Federation, the Parent and Teacher association, the Y. M. C. A. the church, the school and the home, and further, has a peculiar worth all its own, and should by all means be an independent organization.

PLENTY OF WORK FOR UNEMPLOYED

(By The Associated Press.)

New York, April 1.—A third group of applicants for farm labor left here tonight in charge of C. W. Larmon, chief of the state farm and land bureau, to go to several points up the state, in accordance with Governor Glynn's plan for helping the city's unemployed.

Mr. Larmon said today that work could be secured immediately on the farms for industrious and not totally inexperienced applicants from the cities. Not only had the two larger groups already sent found work, almost without exception but numbers of individual applicants were forwarded every day to fill positions on the farms.

CIRCUS PERFORMER KILLED BY FALL

(By The Associated Press.)

New York, April 1.—Ella Hackett, a 19-year-old equestrienne, was killed almost instantly by a fall of fifty feet from a trapez to an improvised platform in the arena at the Barnum & Bailey circus in Madison Square Garden today. Ambitious to appear in a trapeze act, she was rehearsing after the afternoon performance. While attempting a "revolving swing" she fell head downward. Only a few of the circus performers were present at the time.

Miss Hackett was a daughter of Dr. Clarence L. Hackett, a dentist of this city.

JOHN T. AND SARAH (OLIVER) BLAKENEY

We went to the court house at Danville, Ill. to see we could find. We found the records of the estate of John and Sarah Blakeney, which was administered by their son. I didn't know it at the time, but Goldie Neild had the other grandfather's administration papers for the estate.

This is the appraisal on June 6, 1864, by John L. Isaac O'Neal, and John Brooks (X-his mark).

Nancy Jane Cole	6.53
Philemon Spicer (X--his mark)	6.53
Angeline Bishop	32.65
Hezekiah Blakeney	32.50

This list of heirs gave us something to go on. We found Joseph Spicer to be the husband of Martha Blakeney, deceased, Elizabeth Spicer to be the widow of William Spicer, the eldest child of Martha Blakeney. The rest of her children were Nancy Jane Cole, Philemon Spicer, Lucy Ann Spicer, and Joseph M. Spicer, John, Philip and Merit dead when John T. and Sarah died. One of the fourth generation gave us the names of two

other children, Nancy and Thomas, who died before John T. and Sarah.

John T. Blakeney was the strongest man west of the Wabash River, and could outrun any of his opponets, be he white or Indian (from the obituary of his grandson T. West Blakeney). He was a very large man, and fought in the War of 1812.

John T. was married in Paris, Kentucky, on January 23, 1810, to Sarah Oliver, who was born in Virginia. They lived in Bourbon Co. until around 1828, when they came to Illinois and lived near Brook's Point, now a place only in memory.

We went searching to find John and Sarah's burial spot.. One dark day, three cousins, Lawrence and Iva Clute, Lloyd Field, and myself, took pruners and saws to see if we could find any trace of their graves. We were given directions and received permission to investigate. The old burial spot is known as the Dukes, cemetery, and is tangles with vines and brush. We cut our way in and found, to our surprise, both gravestones of white marble with dates plainly engraved after over one hundred years!

Jude: 24,25 " Now unto him that is able to keep you from falling, and to present you faultless before the presence of His glory with exceeding joy, To the only wise God our Saviour, be glory and majesty, dominion and power, both now and ever. Amen.

CONTINUATION OF TAX LIST

1807-1820

New #033958

- 1807: Ashby - Benjamin, Mrs. Sarah, Joseph, John. Cloe - James, 2 wh. tithes; John Cloe (son of James); William Cloe. Since James was dead, perhaps this really means Elizabeth's household. I think the white tithes began at the age of 16 in 1789 instead of the earlier 21.
- 1808: District they were in apparently missing.
- 1809: Ashby - John, Sarah, Joseph, Benjamin, Robert. Cloe - William, John (son of James), James.
- 1810: Ashby - Benjamin, Robert, John. Cloe - William, James, John.
- 1811: Ashby - Robert, Joseph, John, Sarah. Cloe - James (still 2 wh. tithes), John, David.
- 1812: Missing.
- 1813: Ashby - Robert, Benjamin, Joseph, Sarah, John. Cloe - James Clough, 1 wh. tithe.
- 1814: Ashby - John, Robert, Sarah, Joseph. Cloe - James, Henry, John - Norfolk. Maybe that means John lived at Norfolk.
- 1815: Ashby - Sarah, John, Joseph. Cloe - David, Betsey, John. Betsey prob. means Elizabeth, James' widow.
- 1816: Ashby - Benjamin, Robert, Joseph, John, Sarah. Cloe - John, Elizabeth.
- 1817: Ashby - Robert, John, Sarah, Benjamin. No Joseph. Maybe he was in Ky. No Cloe. Interestingly enough, there was a Constantine Foxworthy. Makes me wonder if Ann Constine Foxworthy's middle name shouldn't be Constantine. I had thought about that as soon as I read her name. On the other hand, perhaps his name was Constine instead of Constantine.
- 1818: Ashby - Benjamin, John, Robert, Sarah. Cloe - Alexander, 1 wh. tithe. Perhaps this is the Alexander who ran away from Ky. and returned "home."
- 1819: Ashby - Benjamin, Robert, John, Sarah. Cloe - Alexander.

Misc. notes: Virginia Magazine has Stafford Co. marriages 1726-1773 in vol. 8, p. 360. The library here, however, does not have any issues.

From Register of Overwharton Parish 1723-1758 by King, 1961, says St. Paul's Parish 1715-1798, pub. in 1960, should also be consulted. Has some person in adjacent counties as well as a few across the Potomac in Md. That is not here either.

Virginia Magazine of History & Biography, vol. 53, pp. 215-218 has records. Not here.

There are 17 Ashbys in the 1810 Va. census index. I assume you've done that census.

Va. Ancestors & Adventurers, vol. 2, has Ashbys in Fauquier Co. A will of John Ashby in 1812.

Index to the 1810 Ky. census gives an Alexander Ashby in Bourbon Co. - p. 68b, ln. 21.

1820 index gives a Josiah in Clark, p. 71, ln. 4, and said to see Ashly. Ky. also, I should add, just so you'll know what State I'm talking about.

Notes

Captain John Ashby (ca 1707 - 1789) was the son of Captain Thomas Ashby (died 1752) who settled near Paris in present Fauquier Co about 1700 and later moved to present Clarke Co. in Shenandoah Valley. The will of Captain Thomas Ashby is recorded in Frederick Co. Will Book 2, p. 53; he mentions his wife Rosa (Rosanna), 6 sons and 4 daughters.

In the Northern Neck of VA land Surveys for Stafford Co. there is an interesting eighteenth century plot of a division of a tract of land among Thomas Ashby Sr., Thomas Ashby Jr., Henry Ashby, Stephen Ashby, John Ashby and Robert Ashby.

The Simms Family of Stafford CO VA

Ashby Family

p. 157

"The famous Ashby family of VA" is the way my Aunt Lizzie Pipkin
always described them. Undoubtedly many of the Ashby family were well
known and since they all originated from the same area in VA (Stafford,
Fauquier, Frederick Counties) they all apparently were the same family.

Page 82 of Stafford CO VA Deed Book P states that Robert Ashby, the
elder, and Elizabeth, his wife, sold 120 acres of land 14 July 1747
To Elias Ashby. Elias Ashby and wife Winifred sold this land 21 Jan
1755 to Wm Garrad.

This Robert Ashby, the elder, was so-called to distinguish him from
a younger Robert Ashby who also lived in Stafford CO at the time. The
younger Robert Ashby's wife was named Mary and they had children whose
births are recorded in Overwharton Parish Register during the period
1751 to 1752.

Robert Asbee, Sr left will, recorded page 479 Stafford Co will Book O.
Will written 17 Apr 1762 and proved 12 Nov 1764. Indexed as Robert
Ashby. Names son - John Asbee and grandson Jesse Asbee, son of Margery
Asbee.

CENSUS *****1785 Census of Stafford CO VA, lists Sarah Ashby with 10 white souls.

1810 - List Sally Ashby living in Falmouth with 1 female over 45, 1
female 26 - 45, and 1 female 10 - 16. On same page are listed John
and Joseph Ashby.

1820 - Sarah Ashby listed with family of 2 females over 45. Same page
listed are Benjamin, John and Robert Ashby.

TAX LIST ***** 1782 - 1786 Sarah Ashby - paid taxes 180 acres.

1787 Sarah Ashby reported herself and Robert Ashby. Sarah
continued to pay taxes on 180 acres until 1800 when 50 acres went to
Benjamin Ashby.

1806 - 1809 Robert Ashby, paid taxes 115 acres which came to him from
Robert Ashby. Continued to pay taxes on these 115 acres through 1820 and
Sarah Ashby is listed without land

Benjamin Ashby, also paid on 50 acres through 1820. Also listed in 1810 were Joseph Ashby and John Ashby.

In Summary, it would seem:

Robert Ashby, Sr - died about 1764, married Elizabeth ***, who died 15 Oct 1754 Stafford CO VA. Robert Ashby was possibly the Robert Ashby who was possibly the Robert Ashby who was granted 180 acres on the Beaverdam Run of Acquia Creek 1 Oct 1724 (page 81 Land Book A). Robert and Elizabeth Ashby sold a tract of 120 acres in Stafford to Elias Ashby on 14 June 1747 (page 82 Liber P). Robert Ashby left a will in Stafford CO (page 479 Liber O) dated 17 Apr 1762, proved 12 Nov 1764. He mentions his son John Ashby, his grandson Jesse Ashby, who was a son of Margery Ashby. He had issue:

- A1 John Ashby (- 1776) married Sarah MacCullough.

Will of James Pettit of York County, PA - 1770

According to evidence established by professional researcher Harry Macy of New York there is good reason to believe that this James was a son of Thomas and Avis Pettit of Long Island being, then, fourth in descent from the Thomas that immigrated from England in the 1630's. As well, this James is believed to have been the father of another James that married Martha McCune and the grandfather of James Pettit of Ohio County, VA (see April '88 issue, p. 4). James Pettit and wife Priscilla Darling were married 29 August 1723 at the Newton (L.I.) Presbyterian Church. The following was taken from a typewritten copy sent to me by Frank Baldwin (423 S. East Avenue, Oak Park, IL 60302) in May 1988.

Dear Ms. Horn:

Concerning the deat notice of Mrs. .Ruth McCormick:

There were two papers in Rawlins at that time, and I have copied the following from each:

"RAWLINS REPUBLICAN-----Thursday, September 21, 1911

HANGS HERSELF  
MRS. RUTH MCCORMICK COMMITTED SUICIDE  
LAST FRIDAY AFTERNOON BY HANGING

Believing that she would have to spend the balance of her life in an insane asylum, Mrs. Ruth McCormick of Denver, who was here living with her daughter, Mrs. Chas. Stressner, committed suicide on last Friday afternoon by hanging herself.

Mrs. McCormick was confined in the Colorado state insane asylum for some time, but was recently released from this institution as cured and allowed to come to Rawlins to live with her daughter.

The belief that she might at some future time be returned to the asylum seemed to prey upon her mind and for several days she was continually in low spirits. During the absence of her daughter Friday, she secured a rope and fastening one end around a rafter in an out building and the other end around her neck she managed to strangle herself to death. A note was left saying that she didn't want to die behind the bars.

The funeral was held in this city Monday."

"CARBON COUNTY JOURNAL      Rawlins, Wyoming Sept., 22, 1911.

Mrs. Ruth McCormack, mother of Mrs. E. M. Horton and Mrs. Chas. Stressner, committed suicide Friday night last while laboring under mental stress."

LATER IN PAPER'-----"Card of Thanks: We wish to express our thanks of the many friends who were so kind to us during our recent bereavment. Mr. & Mrs. Chas. Stressner"

This is all that was found---not other obituary. Sorry there isn't more.

Respectivly,

Marian Geddes, curator

Then I went to City Hall. Their records seem incomplete even for more recent burials. I have experienced this in trying to find graves for our own family. However, they do now have a map with names on each plot. It will take time to go through the entire map, or sections of the entire cemetery. This I will do as soon as I can. I did want to get the above information to you now so you will not think we have ignored your request. I will advise you if I come up with anything on the Stressners.

Sincerely,

Every item of information should be carefully supplied. AGE should be stated exactly. If unknown, give approximate age. Physicians should state CAUSE OF DEATH in plain terms, so that it may be properly classified. Exact statement of OCCUPATION is very important.

### THE SCREAMING EAGLES

William Everett Beckner, my father, was born Sept. 25, 1913 at Engleside Wva. He was the son of Alonzo and Lucy Beckner. He married Frances Lillian Blankenship Oct. 23, 1941. She was the daughter of Paris and Cartie Blankenship... William Everett Beckner was inducted into the United States Army March 24, 1942 at the age of 29... Sometime after Basic Training, he volunteered for special training, which was done in secret at Fort Campbell.. He became one of the first of the 101st Airborne Division.. He departed Sept. 5, 1943 for England.. His engagements with the enemy occurred at "Normandy"-- "Northern France"-- "Rhineland"-- "Ardennes"-- "Bastogne"-- "Holland"-- and "Berchtesgaden"-- His Commanding Officer at Bastogne was General Maculoff, under General Maxwell B. Taylor.-- My father was one of the troops surrounded at Bastogne, and nicknamed The Battered Bastards of Bastogne.-- He was discharged July 27, 1945. The 101st Airborne Division was the first Special Service Force.-- Even today the men of the 101st are trying to compete with what these men did.. My father died Nov. 4, 1978 after a long battle with heart disease

## PURE BRED SALE STARTS

This week the Press completed  
a sale catalogue for Mr. J. H.  
Richter and Walter Anschutz of  
Windom, Minn. They have a high  
class offering of Durocs, headed  
by a Tanalac bred boar from the  
Dexheimer herd. This is a well  
grown and typy offering that will  
interest Red hog men.

The catalogue of Mr. R. E. Pra-  
ther of Platte, is also being print-  
ed at this time. Mr. Prather has  
one of the top notch Poland China  
herds of the country headed by  
the great boar, Emancipator. In  
his catalogue will be found indi-  
viduals of the Gheckers, Ambition,  
Peter Pan, Fusileer, and many  
other lines of breeding, all pre-  
eminent in the Poland line. In  
writing the Press Mr. Prather  
states that he has had inquiries  
for his catalogue from all over  
the United States and from some  
portions of Canada. He antici-  
pates a splendid sale, January 19,  
and deserves it, for a m-

enterprise and forethought to  
bring to South Dakota a boar of  
the quality and reputation of  
Emancipator, is certainly worthy  
of the confidence and patronage

Mr Joel Beckner, a G. A. R. vet-  
eran of the Civil War, passed away  
at the home of his daughter, Mrs.  
Fred W. Marmon in this city Fri-  
day. Mr. Beckner was a resident  
of this city the past fifteen years  
and was well and favorably known  
by a large circle of friends. His  
death was a great shock to the  
family as he had been in his usual  
good health. During the evening  
dinner hour he sat down to rest  
and when he was called, his son-  
in-law noticed he appeared  
changed and when he reached  
him it was discovered he had been  
stricken.

Funeral services were held at  
the Coleman parlors Sunday after-  
noon, and that evening the funeral  
party left for Greeley, Iowa, to  
make the interment of the remains

Mr. Beckner was born in Ver-  
ginia August 14th, 1837, making  
him at the time of his death 85  
years, 4 months and 15 days of  
age. At the age of six months he  
moved with the family to LaPorte,  
Indiana, and it was from that state  
that he enlisted in the Fifth Bat-  
tery Volunteers, later engaging in  
several pitched battles in the state  
of Kentucky, Tennessee, Alabama  
and Georgia, receiving an honor-  
able discharge in 1864. Soon after  
the war he moved to Harding coun-  
ty, Iowa, and was there married  
to Minerva Freeman December  
6, 1868. Their only child born to  
this union was Mrs. Nellie Mar-  
mon who survives. The wife pas-  
sed away at Manchester, Iowa,  
September 6, 1901, and ever since  
that time Mr. Beckner made his  
home with his daughter.

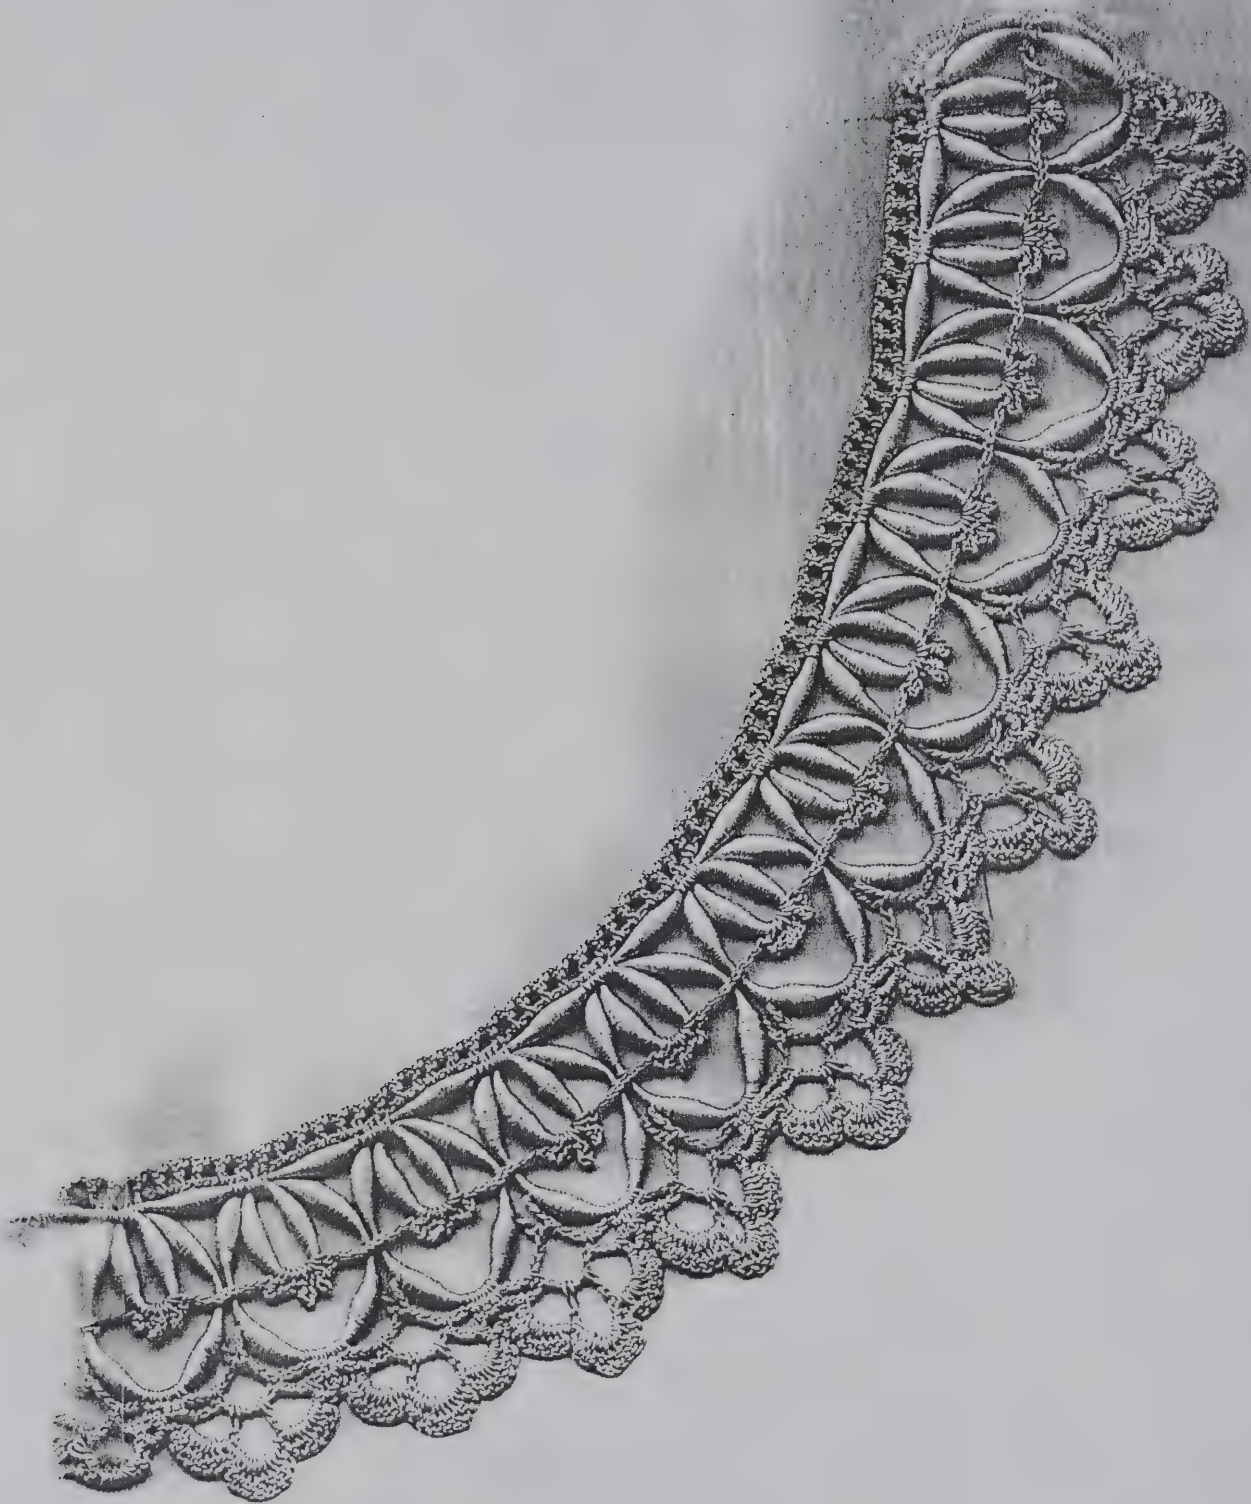

Mr. and Mrs. Marmon accom-  
panied the remains and will re-  
main about two weeks.

1948

Jean -

This is the picture I was talking about. Matched set. Don't know if Mom made the skirts or not - Pretty fancy for that time as I know they were both working very hard. Maybe we bought them for fun. 1948! Maybe we had gone to Sac on the bus. What do you remember?

### Congratulations, Helen Mills, for winning the Bronze at National Senior Olympic Games

Winning a state competition in any endeavor — be it in sports, academics or in particular professional or vocational or field — is quite a honor, an accomplishment achieved by few.

However, for 87-year-old Helen Mills, winner of

over 200 medals in Senior Olympic competitions regionally and statewide, it has become the norm.

Due to her excellent showing at statewide competition, Mills, along with fellow Martin Countian Gladys Hinkle got a shot to compete at the National Senior Olympic Games held June 22 through July 7 in Louisville.

Competing in a field of nearly 5,000 seniors from across the U.S., placing in the top 10 percent would be considered a worthy goal.

Both women exceeded what might be considered their highest expectations, with Mills capturing third place in horseshoes for a Bronze Medal and Hinkle finishing near the top in bowling.

We're very proud of both women.

They represented Martin County, eastern Kentucky and the Commonwealth well.

Mills philosophy for staying active at an age when most folks take it easy is simple and straightforward. She loves to compete, saying that "you're never too old" to attempt to do anything.

Our senior citizens center is an invaluable part of our community. Director Jennifer Dalton schedules a lot of activities, and showing of both Mills and Hinkle at the national level reveals that what we have here is very special.

LOUISVILLE — Helen Mills has added another medal to her collection of roughly 200 she has accumulated over the years competing at the Senior Olympics on the regional and state level.

What makes this additional special is that Mills, 87, the state senior horseshoe champ, captured a Bronze Medal in this category at the National Senior Olympics held June 22 through July 7 in Louisville.

"It was the first time I competed in the national games in front of a big crowd," Mills said. "There was 7,000 people there and I was pretty nervous, but I love to compete. It's something I really enjoy and my belief is that you're never too old to play."

Mills has competed at the state level for the last 10 years and had represented Martin County and eastern Kentucky well.

"I have around 200 medals and most of them are Gold (first place)," she continued. "I like bowling, shuffleboard, electric darts, billiards and horseshoes. Of course, I played horseshoes all my life."

# Freak Accident . . .

## Young Martin County Couple Killed As Boulder Crashes Into Their Home

Residents of this settlement and the rest of Martin County as well as surrounding areas were greatly shocked and saddened when they learned last Sunday morning that a freak accident had claimed the lives of Ronnie Horn, 27, and Connie Horn, 26, his wife. The Horns lived with their two small children in a white frame house on the east end of Inez at the mouth of the junction of the Turkey Road with Route 40. The house was located on the side of a steep mountain. The Horns were killed as they lay in bed asleep at 1:30 a.m., Sunday morning by a boulder weighing approximately 75 tons, which dislodged from the cliff at the top of the mountain and tumbled down the mountainside breaking down trees and vegetation as it came and plunging through the Horns' home. Miraculously, the Horns two small children, which were also in the house, were unharmed, although the house was demolished.

Rex Baird, a neighbor of the deceased couple whose home was directly across the road from the Horns' home and in the path of the rock, had it continued its decent, was awakened by the boulder as it plunged down the mountainside and looked out his window just as the rock plunged into the Horn home. He immediately went to the Horn home, crawled inside the house, and removed the two children, Rhonda, age 8, and Dennis, age 2.

Mr. Baird and other rescue workers worked seven hours to remove the bodies from beneath the huge boulder. Removal was effected by sawing through the floor. Wade Hensley and Rex Baird, neighbors of the deceased couple whose homes were located below the Horn residence across the highway, together with other local county officials, went onto the top of the hill from which the rock came and found

what they described to be an extremely hazardous condition. Reportedly, the boulder that cascaded down the mountainside broke from a rockcliff at the top of the hill.

"There is another rock as big or bigger just ready to tumble down the hillside and take more homes and people with it," Hensley stated adding the residents below the rock did not intend to go back inside their homes until the rock had been removed.

There has been much speculation as to the cause of the accident. Mitchell Horn, whose mother lives in a home beside the home that was demolished by the rock, was one of the parties inspecting the cliff from which the rock came. Horn stated that the cliff had had a fault in it for many years and that the rock that came down the mountainside broke along a crack that had been there "since I was a boy," Horn said.

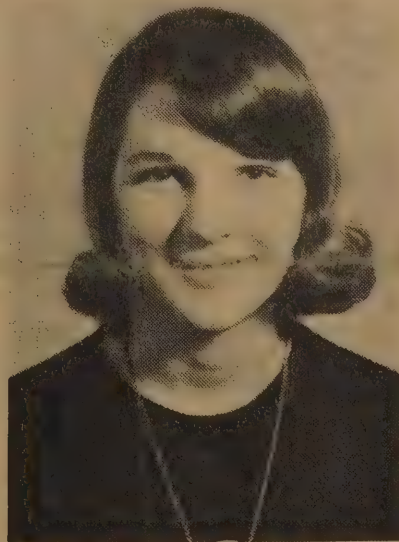

There is a large rock cliff on the top of the ridge above the homes close to the Horn house. Part of the cliff lies on the opposite side of the hill and with the other part laying on the hill facing the Turkey Road. Several large boulders have been dislodged from the cliff and are lying on the steep mountainside. Presumably, they could also roll down the mountainside.

The Horns' two children were rushed to the Louisa Community Hospital where they were treated and returned to their grandfather's, (Riley Horn) home on Rockcastle.

Ronald Horn, an employe of the Martin County Coal Corp., was born July 4, 1949, the son of Riley and Francis Crum Horn,

The Horns lived with their two small children in a white frame house on the east end of Inez at the mouth of the junction of the Turkey Road with Route 40. The house was located on the side of a steep mountain. The Horns were killed as they lay in bed asleep at 1:30 a.m., Sunday morning by a boulder weighing approximately 75 tons, which dislodged from the cliff at the top of the mountain and tumbled down the mountainside breaking down trees and vegetation as it came and plunging through the Horns' home. Miraculously, the Horns two small children, which were also in the house, were unharmed, although the house was demolished.

Rex Baird, a neighbor of the deceased couple whose home was directly across the road from the Horns' home and in the path of the rock, had it continued its decent, was awakened by the boulder as it plunged down the mountainside and looked out his window just as the rock plunged into the Horn home. He immediately went to the Horn home, crawled inside the house, and removed the two children, Rhonda, age 8, and Dennis, age 2.

Mr. Baird and other rescue workers worked seven hours to remove the bodies from beneath the huge boulder. Removal was effected by sawing through the floor. Wade Hensley and Rex Baird, neighbors of the deceased couple whose homes were located below the Horn residence across the highway, together with other local county officials, went onto the top of the hill from which the rock came and found

what they described to be an extremely hazardous condition. Reportedly, the boulder that cascaded down the mountainside broke from a rockcliff at the top of the hill.

"There is another rock as big or bigger just ready to tumble down the hillside and take more homes and people with it," Hensley stated adding the residents below the rock did not intend to go back inside their homes until the rock had been removed.

There has been much speculation as to the cause of the accident. Mitchell Horn, whose mother lives in a home beside the home that was demolished by the rock, was one of the parties inspecting the cliff from which the rock came. Horn stated that the cliff had had a fault in it for many years and that the rock that came down the mountainside broke along a crack that had been there "since I was a boy," Horn said.

There is a large rock cliff on the top of the ridge above the homes close to the Horn house. Part of the cliff lies on the opposite side of the hill and with the other part laying on the hill facing the Turkey Road. Several large boulders have been dislodged from the cliff and are lying on the steep mountainside. Presumably, they could also roll down the mountainside.

The Horns' two children were rushed to the Louisa Community Hospital where they were treated and returned to their grandfather's, (Riley Horn) home on Rockcastle.

Ronald Horn, an employe of the Martin County Coal Corp., was born July 4, 1949, the son of Riley and Francis Crum Horn, who survive.

He is also survived by three brothers, Riley Jr., Bobby and Connally, all of Inez, as well as two sisters, Patricia of Prestonsburg, Ky., and Deirdre Lynn at home.

Connie Horn, a housewife, was born April 9, 1950, the daughter of Ernest and Ruby Hensley Whitt, who survive.

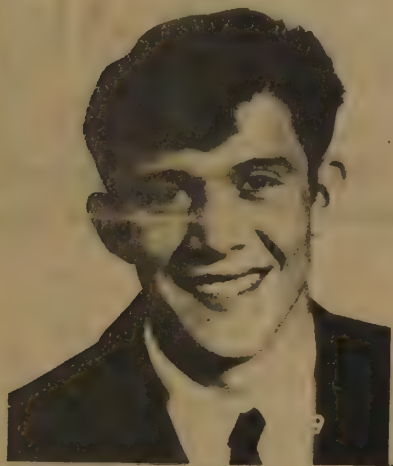

She is also survived by a brother, James of Lovely, Ky., and a sister, Rosalea of Inez.

Joint funeral services were conducted Tuesday, July 13, at the Turkey Church of the Nazarene at Inez, with the Rev. Garrett Mills and the Rev. Quentin Crum officiating.

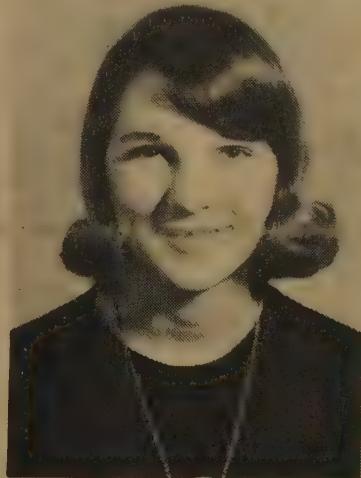

Burial followed in the Horn Cemetery, also located at Inez, with the Richmond-Callahan Funeral Home in charge.

This home of Mr. and Mrs. Ronald Horn was completely demolished by the 75 ton boulder that took their lives as they lay sleeping in their bed early Sunday morning.

# Ronald & Connie Horn Never Had A Chance

14 July 1976  
By Homer F. Marcum

Ronald and Connie Horn, and their two young children, went to bed Saturday night just like all the nights before. They all happily turned in for a good night's rest, looking forward to attending church services on Sunday. Ronald and Connie had recently joined the church and rededicated their lives.

But they never got to go to Church on Sunday. Instead, a tale of horror almost beyond belief ensued in the wee hours Sunday morning, and as a result, Ronald and Connie were united in Church again on Tuesday, for their last rites before burial.

They died in bed Sunday morning victims of one of the most freakish accidents ever to take place in Martin County.

While the family was asleep, a huge boulder, a killer boulder, estimated to weigh 100 tons, somehow tore loose from its perch high atop the mountain above their five-room frame home. It tumbled down the steep mountainside, flattening everything in its path, including the Horn home, where its destructive wake ended.

The rock, measuring approximately 4 X 25 X 10 feet, apparently slid into the house and then overturned, coming to rest amid the shambles of the structure and crushing Mr. and Mrs. Horn in their bed.

They never knew what hit them. The couple's two young children, Ronda, 8, and Dennis, 2, were asleep in another bedroom and barely escaped the boulder's direct hit.

Donnie Davis, a recent SCHS graduate, heard the terrible ruckus raised by the boulder's havoc, and at first thought the dam had burst (Crum Reservoir, approximately a mile on up the road). He flagged a passing State Policeman, and their search found the terrible tale of the boulder.

The children were rushed from the wreckage of the home with only minor cuts and bruises.

From then, at approximately 1:30 a.m. until 6:30 a.m., volunteers and neighbors set about the task of removing the

two bodies from under the huge boulder.

A crane from Wolf Creek Collieries was brought in and used to support the sagging structure while workers tore out the floor from under the bed and removed the bodies.

A crew of workers dispatched from the County Judge's office went up on the mountain early Monday and began breaking-up the remainder of the rock to dispel the possibility of it, too, breaking loose. Only hammers and chisels were used, for fear that dozers, air compressors, or other heavy equipment may dislodge the remainder of the boulder, and send it, too, tearing down the mountainside.

Judge Ray Fields and a county crew climbed the mountain Sunday to see if the other rock could come tumbling down. They said little danger existed, but Fields said he felt the remaining rock should be broken-up to relieve fears of other residents in the area.

Some residents in the area, which is located on the west end of Inez, vacated their homes for fear of a repeat of the Sunday morning deaths.

What caused the boulder to tear loose is not known, officials said.

Ronald Horn, 27, was the son of Riley and Francis Crum Horn, of Inez. He was employed by Martin County Coal.

Born July 4, 1949, he is survived by three brothers, Riley, Jr., Bobby and Conally, all of Inez, and by two sisters, Patricia of Prestonsburg, Ky. and Deirdre Lynn, at home, in addition to their two children, Ronda, 8, and Dennis, 2.

Connie Horn, a housewife, was born April 9, 1950, to Ernest and Ruby Hensley Whitt, who survive. She is also survived by a brother, Jimmie, of Lovely, and a sister, Rosalea Blackburn, of Inez.

Joint funeral services were conducted yesterday at the Turkey Church of the Nazarene at Inez, with the Reverends Quentin Crum and Garret Mills officiating.

Burial followed in the Horn Cemetery near Inez, with the Richmond - Callahan Funeral Home in charge.

Ronald and Connie Horn's bodies were pinned here, in their bed, for six hours until volunteer workers could free them.

A 25 feet wide path was cleared by the wake of the huge boulder, estimated to weigh almost 100 tons, all the way down the 1000 feet hillside.

The boulder entered the house at the right-rear, overturned inside the house, and came to rest toward the front of the house, in the couple's bedroom.

The entire house was pushed forward on its foundation, approximately four feet, from the force of the boulder.
